

Terry Fox Walk

On Friday Sept. 29, our students participated in our annual Terry Fox Walk. This special event was organized by Mrs. Georgia Stevens, a parent in our community. The day began with a special gathering in the gym where students watched a video about Terry Fox and learned about his courage and determination. This theme of "courage" has been the focus during the month of September here at St. Brigid Catholic School. During the month we celebrate the Catholic virtue of courage and how we might demonstrate courage in various ways. After listening about Terry Fox's struggles and his dream to help others, the students participated in warm-ups before setting out on their walk. Grades 3-8 walked a 5K route while the Grade 1's and 2's walked a shorter route. The Junior and Senior Kindergarten students did their walk around the perimeter of the school.

Many of the children were dressed in the school's colours of red and yellow. After the walk was completed, an aerial school photo was taken from the roof. The students had a great day!
