wardship Plan for Musselmans Lake
00 acres of pristine conservation land to the
ional Conservation Authority
ment of a 4.5 acre community park
ner Lee Sand & Gravel Pit to 300 acres of farmland.

PHIL BANNON

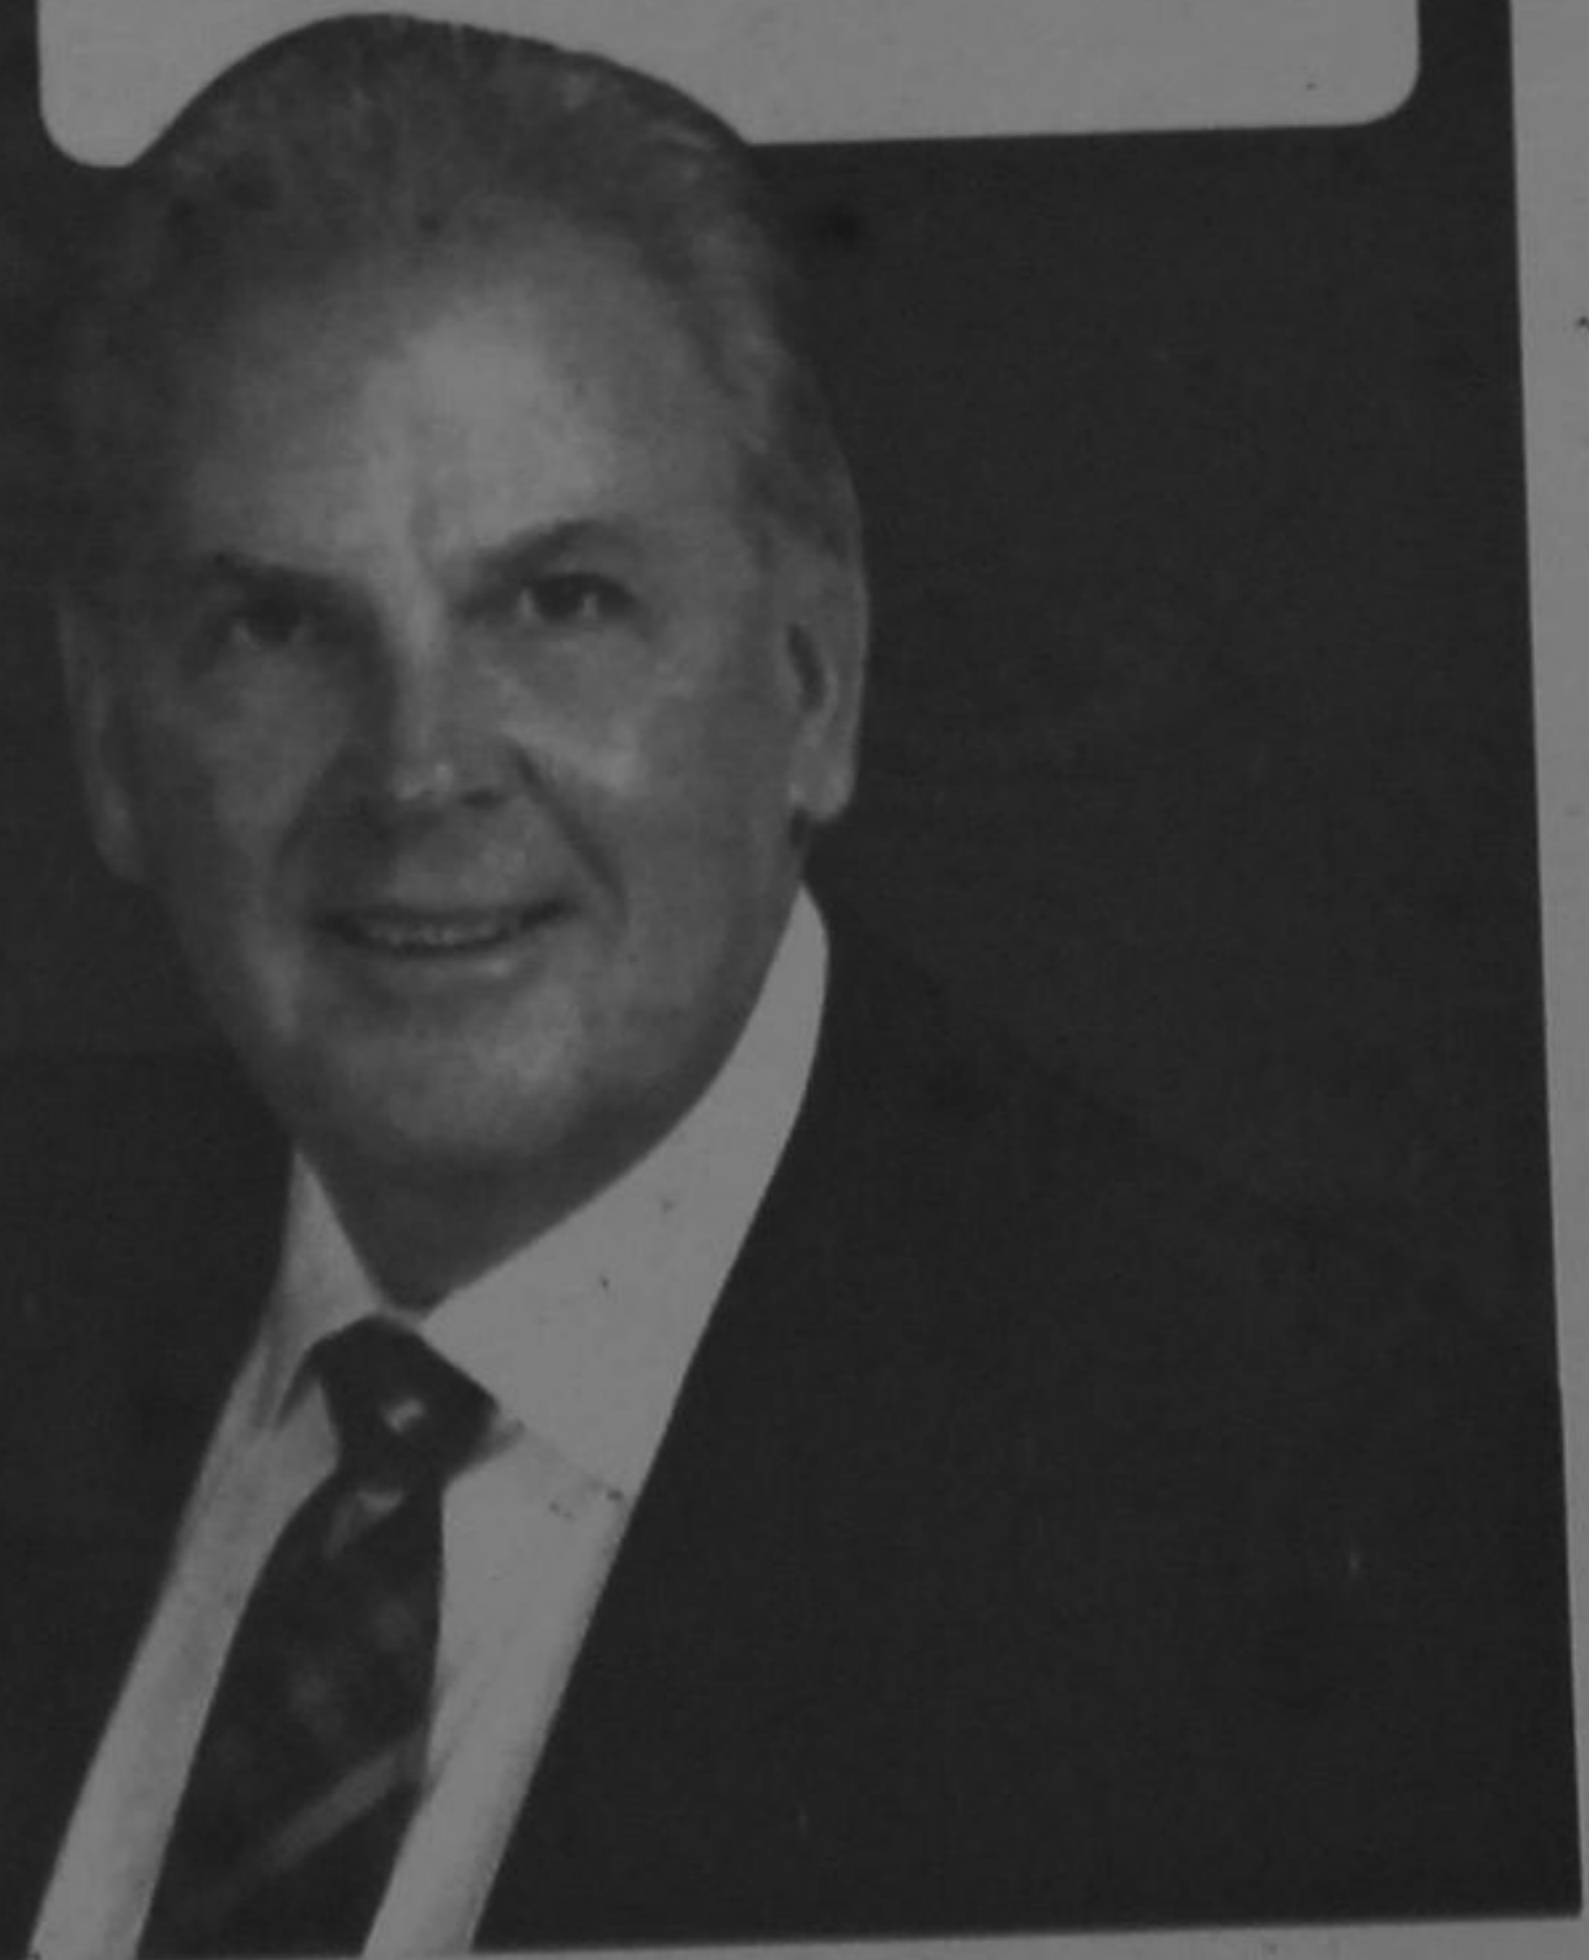

October 27th

MY GOALS ARE CLEAR:

- Improve our local services
- Strengthen our local economy
- Respect taxpayers' dollars

I am committed to building a better future for our families. A community that is safe and offers a better quality of life. A community, that cares about our seniors and our youth.

On October 27th, I am ready to provide the steady, experienced full time leadership we need.
