A list of programs, activities and events at the Whitchurch-Stouffville Public Library

Come Celebrate Ontario Public Library Week October 18-24!

Ontario Public Library week begins on October 18th and the Library will be celebrating with some big events including the Stuffed Animal Sleepover and Stouffville Reads Gala on October 22, and a Closed Library Event for Teens ages 12-18 on October 23. Library Week will conclude on Saturday, October 24 from 1-5pm with a Tech Round Table event that is free and suitable for all ages. It will feature four tables where you can learn, play, create or build. The main tables will include a coding table where you can learn some basics of programming and create your own program, a

LEGO Robotics table where you can design, build or code your own robot, and a Squishy Circuits table where you can learn circuitry and how electricity is conducted. Finally, we will have a display of all the great digital resources the library has and we can show you how to get started. Our annual Food for Fines initiative will also take place that week. Bring in an overdue item and "pay" for your fine with a non-perishable food item for the Whitchurch-Stouffville Food Bank.
