

Christmas Home Tour to Help Families In Need

Stouffville's Home for Christmas House Tour on Nov. 7 and 8 is a locally-run and sponsored annual charity event that helps families and their children who are in need.

Every dollar raised will be donated to two area charities. Jennifer Ashleigh Children's Charity (www.jenash.org) assists seriously ill children and their families with special treatment needs, medical expenses and financial support in times of need. The ABLE Network (www.theablenetwork.ca) is a community-based program that provides relevant inclusive work and recreational opportunities for young adults with intellectual disabilities in natural job and community settings.

The tour runs Friday Nov. 7 from 5 to 9 p.m. and Saturday Nov. 8 from 10 a.m. to 4 p.m. and features nine unique stops which are professionally decorated to inspire the Christmas spirit in everyone. For complete details visit stouffvillechristmashometour.ca
