

**Jolly Old St. Nick
Keeps Good
Company
At The Santa Claus
Parade**

The guy we've all been waiting for: Despite his crazy schedule, Santa Claus and his reindeer found time to join the parade and usher in another beautiful Christmas in Whitchurch-Stouffville.

Keeping healthy and snug on a cold winter's day: Dr. Bear takes good care of his young charges on the Markham Stouffville Hospital float.

By the book: Snow White and three of her students have things nicely covered as they head up the Glad Park School float in the Kinsmen's fabulous Santa Claus Parade on Dec. 2.

The company limo: The Stouffville Free Press joined in the fun of the Christmas parade on Dec. 2 with a tiny, perfect float, all dressed up for the occasion.

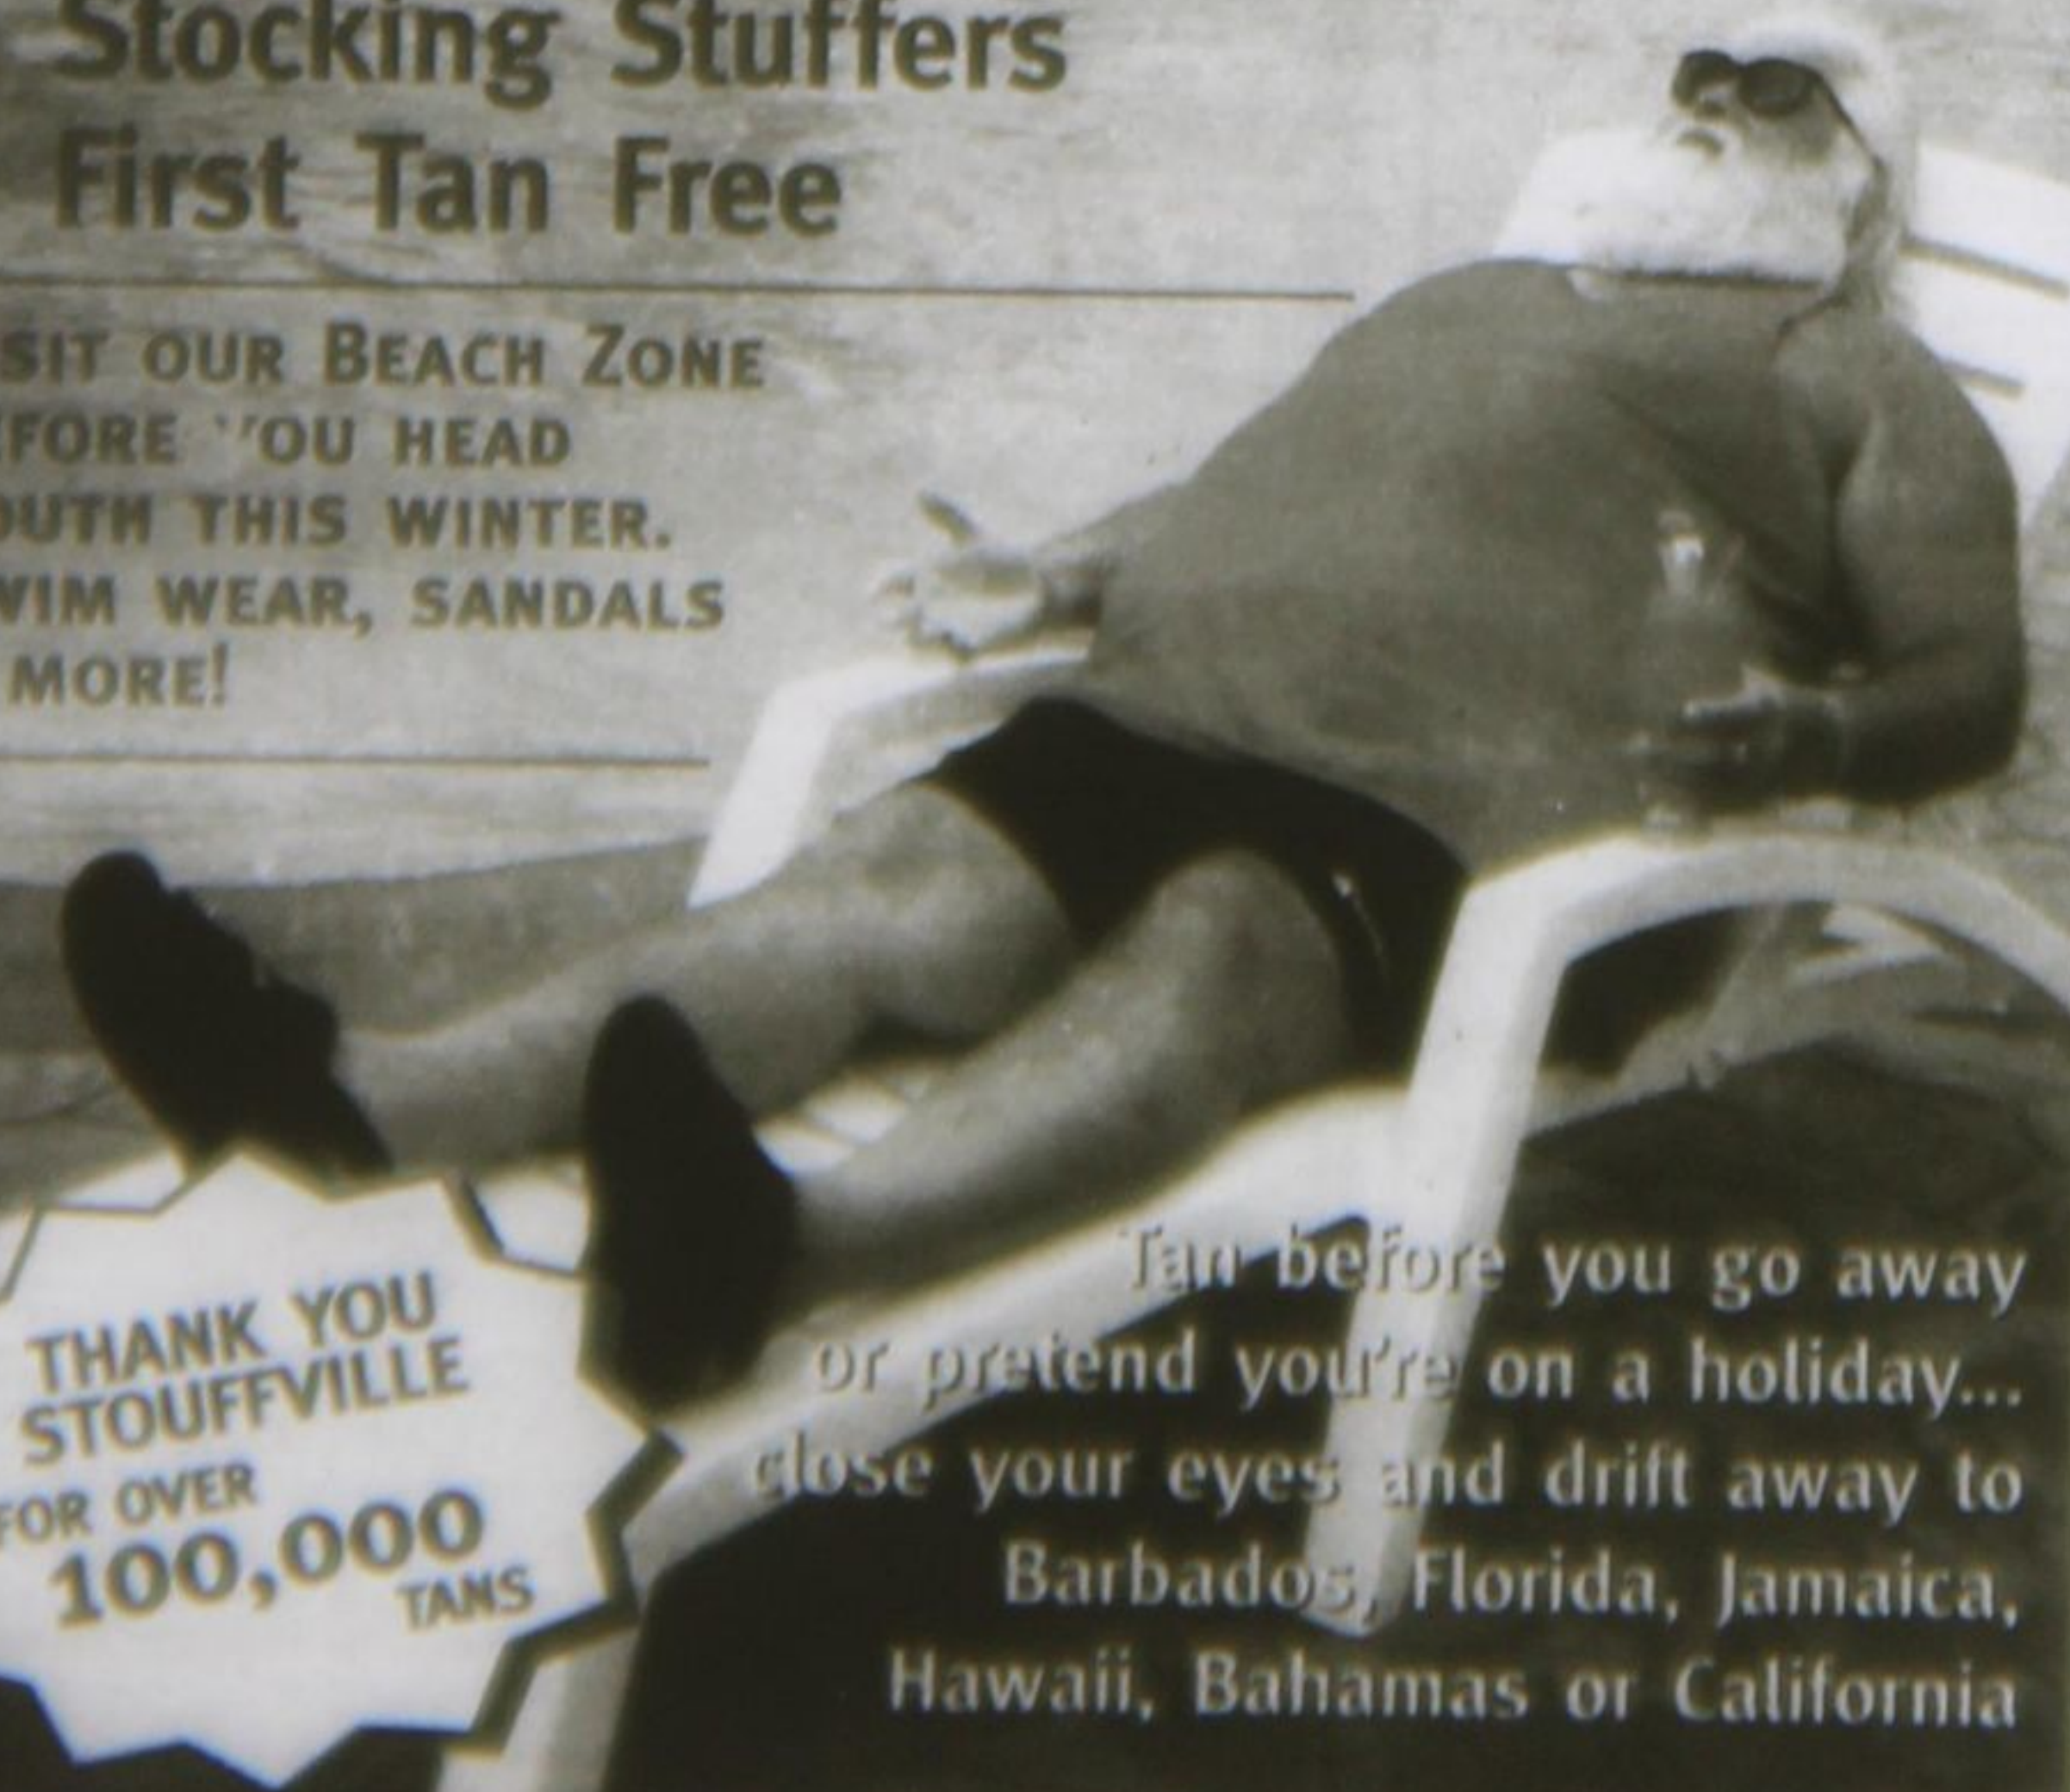

May the force be with us all at Christmas: Budget Towing's Star Wars float was truly out of this world.
