drums. Ron Cross also donated three baby djembe drums to the school. The second performance was at the SIP Gala at EastRidge Church where they performed two pieces titled "Boom" and "The Mother Rhythm" which received a standing ovation from the audience. So, the hand drumming group has made a great start to the year. Come and see the vibrations for yourself at the Stouffville Santa Clause Parade on Dec. 2.

BAND CONCERT

By Miranda Clayton
(tuba band member)

It always feels good to accomplish something and I believe the Summitview band did just that. On Nov. 3 we played at SDSS for the Stouffville Music Scholarship Concert. The first piece was entitled "Shout" and we played "The Summitview Song" to finish off. We must have sounded pretty good because we got a roaring applause.

The band is directed by Martha McConnachie and consists of clarinet, flute, saxophone, trumpet,

French horn, tuba and drum players. The other schools that performed were St. Brigid Catholic School, St. Mark Catholic School, Ballantrae PS, Stouffville Christian School, Whitchurch-Highlands School and Stouffville District Secondary School. We all did our best and had a great time.

All the Summitview band members would like to thank everyone who came to see us play as a portion of the money raised from the concert will go towards all the groups who played in the concert.

COAT DRIVE

By Jessica Tapiero

This year Summitview Public School students and faculty have collectively risen to the challenge of bringing joy, happiness, and warmth to needy adults and children for the cold winter ahead. The school spirit was in evidence as the classes had a fun competition to see

who could bring in the most coats. In total the school collected over 400 coats! This wasn't only the first coat drive for Summitview, it was the first coat drive throughout York Region. Many thanks to everyone who participated in this event; your help was greatly appreciated and will make a difference.
