CHRISTMAS
PROJECT

THE BEST
Christmas Tree Ever

From Saturday, Nov. 28, the Stouffville Lions will sell their beautiful Christmas trees at the Canadian Tire parking lot on Hoover Park Drive.

All proceeds from the sale will be used to assist with the club's many community projects. Buying a tree from the Lions not only enhances your home, it also helps others.

"This is our biggest fundraiser," said Lion Chris Larkin. "The hours are 9 a.m. to 6 p.m. Saturday and Sunday, 1 to 9 p.m. Monday to Friday."

The sale runs from the end of November until just before Christmas, and offers a great selection of fresh-cut trees. Scotch pine and Balsam fir are \$40 each, while Fraser firs are \$50 for trees 6 to 7 feet tall, and \$60 for trees of 8 to 10 feet.

On Dec. 5, as part of a corporate promotion in GTA stores, Canadian Tire is featuring a one-day sale of the smaller Fraser firs, with 6 to 7 foot trees on offer for \$24.95. However, the local outlet has opted not to sell the trees in competition with the

Lions to allow the club to maximize their fundraising efforts. In return, the Lions will offer the \$24.95 sale price on the smaller Fraser firs that day, with tree-supplier Somerville Nurseries generously making up the price difference, so that the club doesn't lose out on donations.

Canadian Tire is a staunch supporter of the local Lions tree sale, donating a large, fenced-in area outside the store's west end to accommodate the trees and the club's trailer. So if cutting down a tree isn't on your agenda this year, check out the Lions Club selection at Hoover Park, find the perfect tree, and help to light up someone else's Christmas. For additional information please contact Lion Chris Larkin at 905-640-2298.
