

Santa thrills kids as he arrives in Stouffville

KATE GILDERDALE / STOUFFVILLE THIS MONTH

Whitchurch-Stouffville's Santa Claus parade, sponsored by the Kinsmen, was the biggest and best ever this year. Once again, the community outdid itself with more than 70 fabulous floats, marching bands and colourful characters to usher in Christmas 2002. The street was lined with excited children and parents as the parade, which started at the east end of town, wound its way west along Main St. to Palmwood Gate. Santa, as always, was the man of the hour as he arrived with his sleigh filled with gifts and pulled by eight reindeer.
