

BUSINESS SHOWCASE 2003

ALTERNATIVE HEALTHCARE

Have you considered holistic therapies in your life! For 10 years, Holistic Practitioner Pamela Beach, provides Bowen therapy, behavioural therapy, therapeutic touch, reiki, emotional freedom therapy, reflexology, and advanced foot care services. Gentle and non-invasive, these alternative choices fit into anyone's life.

Bowen Therapy is a new modality originating from Australia. It works on the basis of neuromuscular repatterning. Clients find that just a few sessions can make a real difference.

Client feedback - "The relaxation and the benefits last longer than a massage."

Do your problem feet need attention? Pamela specializes in advanced foot care for corns, callouses, and ingrown nails.

Isn't now a good time to give yourself a winter tune-up!

Patti-Lynn Interiors

5402 MAIN ST.
STOUFFVILLE, ONT.

905-640-0640

Patti-Lynn Interiors wants to bring your vision home. Whether it's a complete flooring renovation, custom window treatments or advice on painting your favourite room, Patti Lynn's vast array of quality brand name products allows you to choose the looks and materials you desire at any budget.

And in the spring there will be even more selection as Patti-Lynn expands its 8500 sq. ft. showroom to 11,000 sq. ft. Watch for great sales as Patti-Lynn makes room for new product lines.

Patti Lynn Interiors has been a family run business for 17 years. Patti-Lynn, husband Richard and their sons Jeff, Chris and Tim team up with a great support staff dedicated to completing projects that will stand the test of time.

"We do it right," Patti-Lynn explains, "so that quality work is there for our sons to inherit."
