

## 'Learn The Steps' volunteer program offered at the Lebovic Leisure Centre

On Jan. 28, Whitchurch-Stouffville's Leisure Services Department is offering a three-hour information seminar on volunteer screening entitled, Learn the Steps.

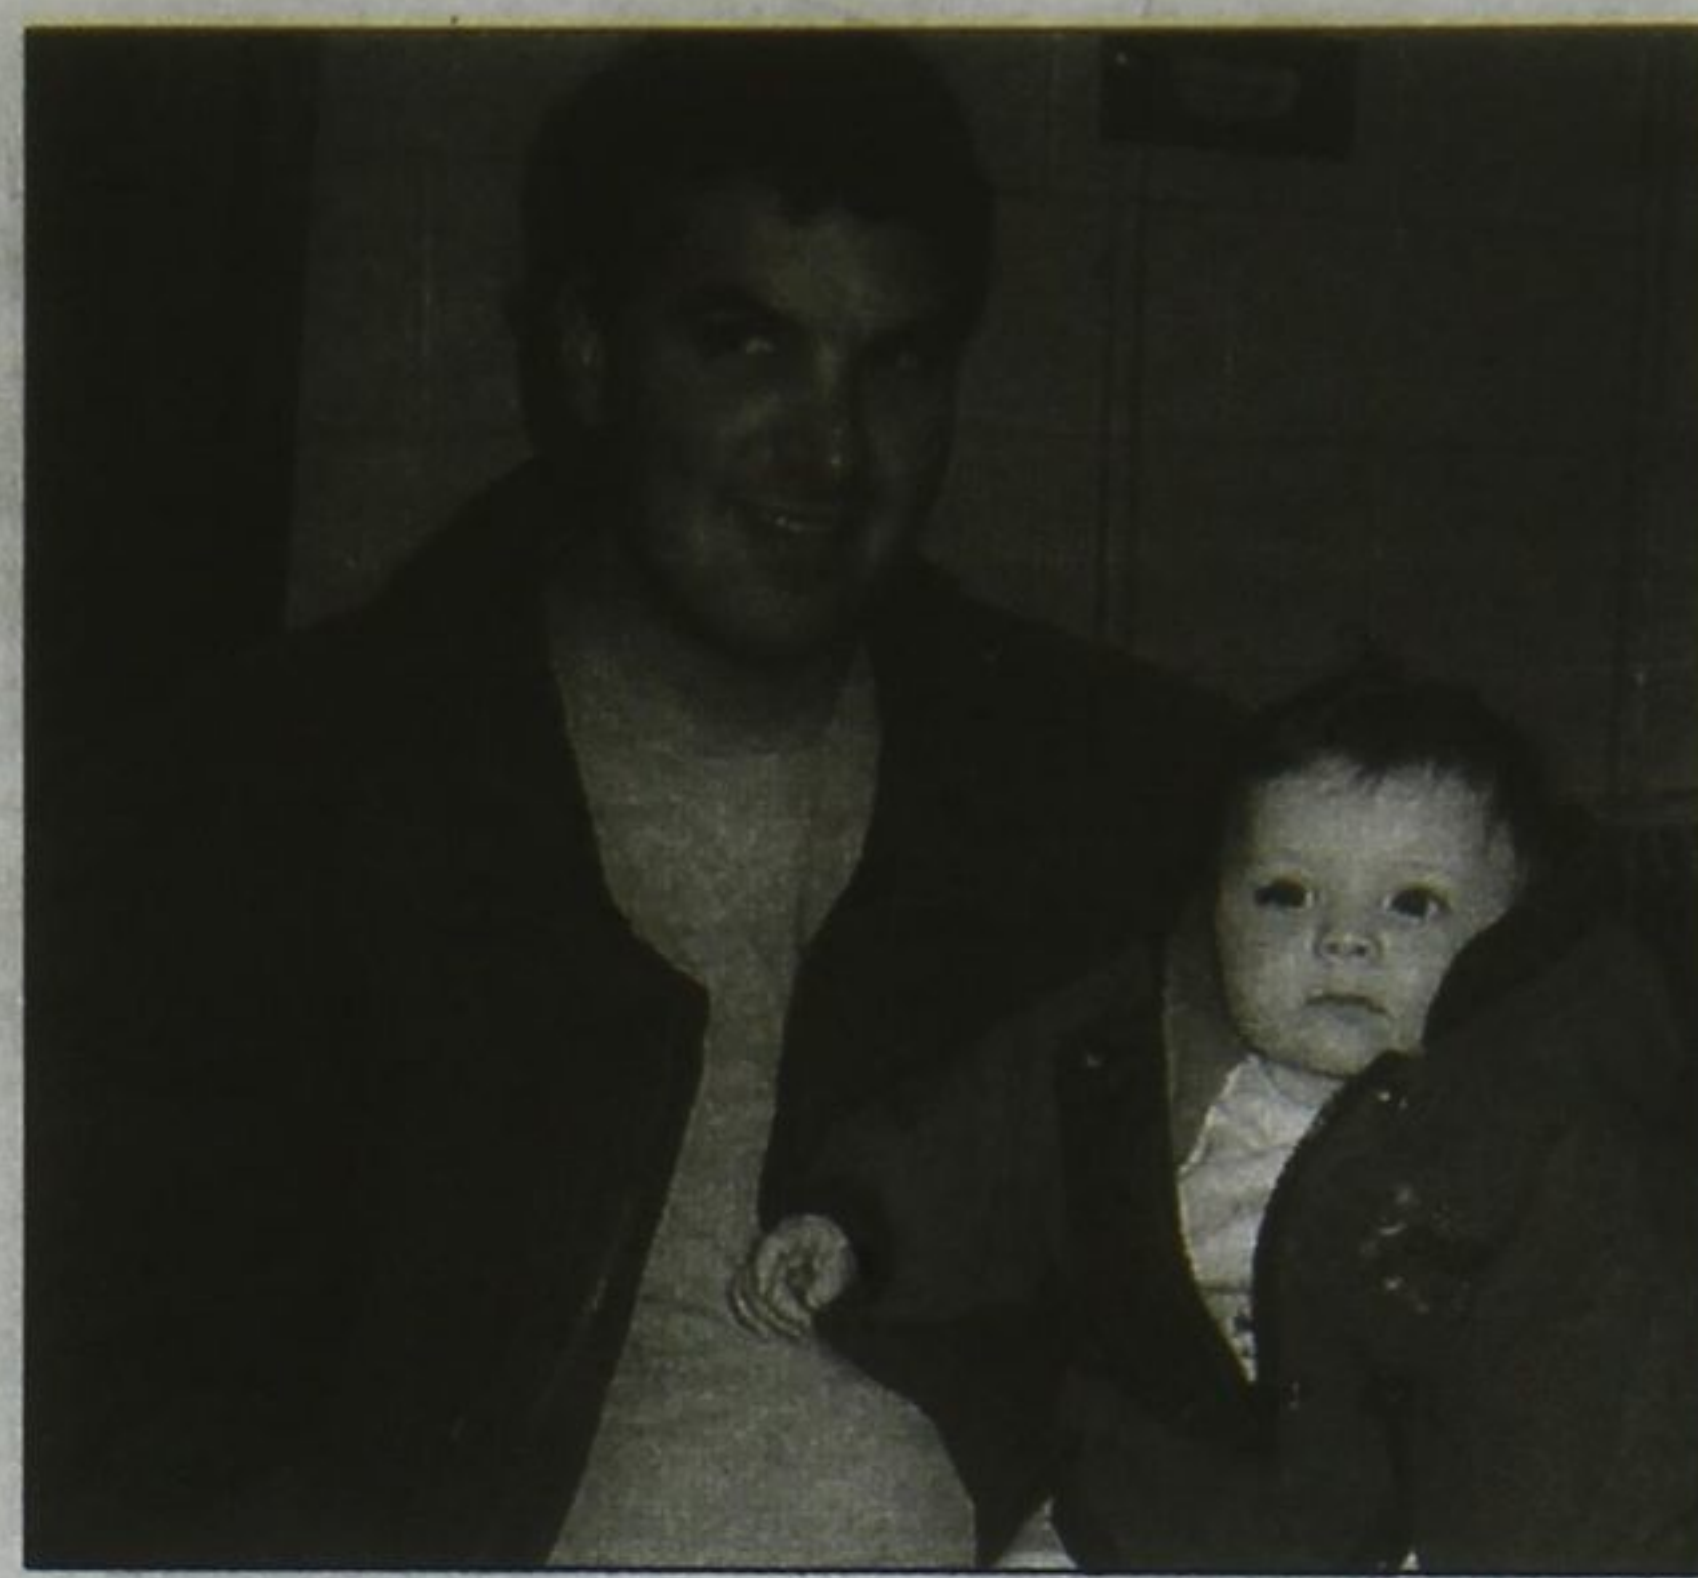

"It is important to know that the volunteers who spend time with your children and other loved ones have been appropriately screened," explained recreation aquatic supervisor Nicole Ongman. "If you are a member, staff, volun-

teer or representative of a club, sports group, organization or department that provides services to children, youth, older adults, disabled persons or vulnerable individuals, then this session is for you."

The program will explain what is meant by screening and provide an overview of the 10 steps involved in the process. It will address concerns people may have about introducing screening pro-

grams, and provide a forum for exchanging views with other organizations and individuals in the community on this important topic.

Learn the Steps runs from 6:30 to 9:30 p.m. Jan. 28 at the Lebovic Leisure Centre and the \$15 cost includes the Safe Steps Manual and refreshments. For more information, or to register, call 905-642-7529, ext. 323.
