**Stouffville Rotary Club fundraiser  
promises a 'Taste Of Spring'**

By Kate Gilderdale  
Stouffville This Month

January is Rotary Month, and members of the Stouffville club are busy preparing for the second annual Taste of Spring at Sleepy Hollow Golf and Country Club.

"We are expecting approximately 10 wineries and 10 food establishments to take part in this year's event," advised public relations spokesman John Pollard. "Last year about 250 people attended and this year we're hoping for 400," said Mr. Pollard.

"We have a very large silent auction planned and there will be door prizes and music." A string ensemble and a brass band have already been signed up and negotiations are currently under way with a third group of musicians.

The event takes place March 31 from 6 to 9 p.m. and tickets will be \$45 each. "Monday is an unusual night for something like this, but the restaurants are much more

receptive to doing something on a Monday. Last year was very successful and we raised about \$9,000 -- we're hoping to do even better this year."

The majority of the proceeds will go towards repairing the grandstand at Memorial Park in cooperation with the town, said Mr. Pollard.

Stouffville Rotary Club is preparing for its second annual Taste of Spring which takes place Mar. 31 at Sleepy Hollow Golf and Country Club. Here Charles Richards, Hilary Richards, John Pollard and Les Broadbent are seen celebrating last year's event, which raised \$9,000 for community projects.

**Centre provides tools for jobs**

You don't have to leave town to research the national job market, brush up your resume and get a wealth of information on finding a new career.

The Neighbourhood Employment Resource Centre, which recently moved into brand new premises behind McDonald's on Sandiford Dr., offers state-of-the-art computers with the latest version of Windows, access to the Internet, and a comprehensive library of books, videos and cassettes.

"Last month we had 50 new clients and we found jobs for 56 people," said Lesley Candler. The centre offers free workshops on a wide range of topics, from accessing the hidden job market to the art of successful interview techniques, and has provided many older workers with the tools to find rewarding new careers.

In January, the centre will present a one-day workshop providing strategies to help people get back into the workforce. For more information call 905-640-2856.
