### Goodwood Gardens Second Annual Charity Pond Tour

By Heather Jordan Engli

Goodwood Gardens' first charity pond tour last June was a great success.

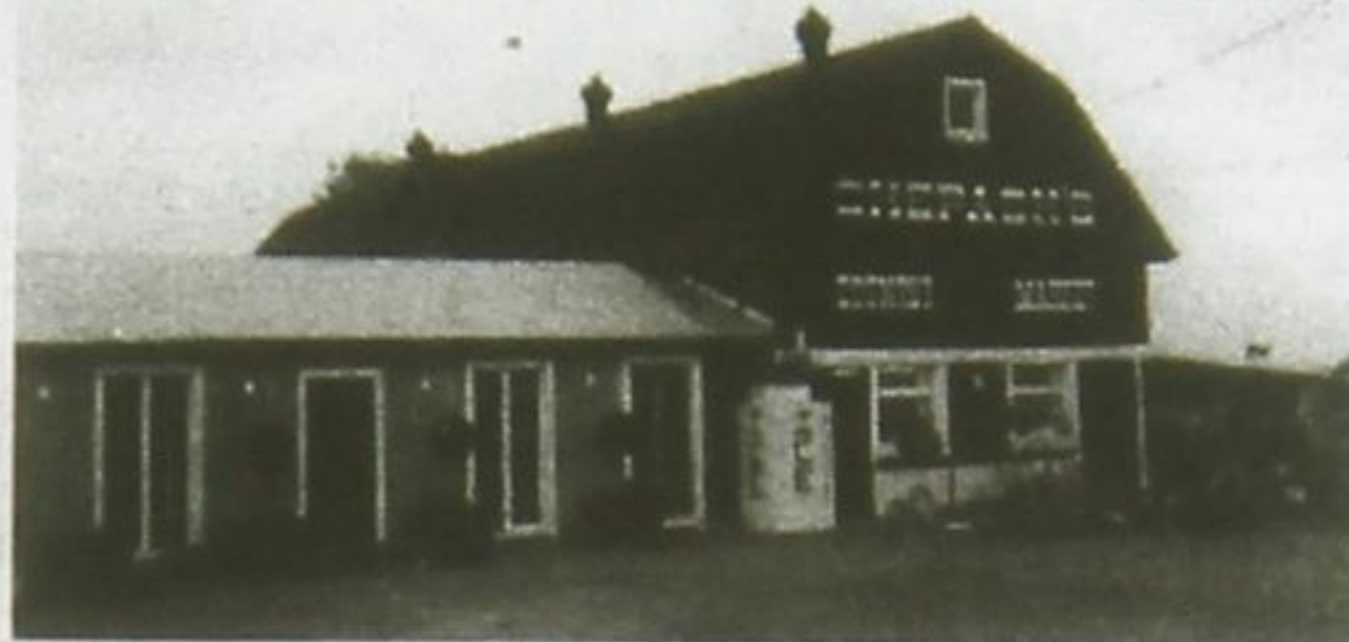

Over one hundred participants took advantage of the opportunity to visit private gardens and gain first-hand insight into the joys of water gardening. We are pleased to offer our second annual tour on June 14. The self-guided tour includes eight ponds in the area of Uxbridge, Goodwood and Leaskdale.

Registration begins at Goodwood Gardens at 9:30 a.m. on June 14 and gardens will be open from 10 a.m. to 4 p.m. Pick up your map and begin your water gardening adventure. A portion of the registration fee will be donated to the Uxbridge-Scugog Animal Control Centre.
