

**Stouffville student raises \$300 for Crohn's**

Bruce Stapley / Stouffville This Month

The Markham Stouffville Unionville Chapter of the Crohn's and Colitis Foundation of Canada's Heel 'n' Wheel-a-Thon was held at Toogood Pond in Unionville June 22. Stouffville volunteer Mary Francis Juk hands a route map to Glad Park Public School student Emily MacLennan while Susan Stapley (background) looks on. Emily was one of the 100 participants in the event which raised more than \$25,000 for the Crohn's and Colitis Foundation. Stouffville merchants provided generous sponsorship.
