## Antique car show at museum

On Aug. 8, Whitchurch-Stouffville Museum will once again provide the historic setting for the Antique and Classic Car Show, featuring a magnificent collection of rare automobiles from across Southern Ontario.

The event includes heritage demonstrations, children's activities and live entertainment for all the family, including performances by Sourpuss, an acoustic roots and blues band. Visitors can also tour the historic buildings on site and refreshments will be available throughout the day.

Admission is \$5 per head and \$12 for families of up to four people, with children under 7 admitted free. The rain date for this year's show is Aug. 15. For more information call 1-888-290-0337.

## Classic car owners show their toys

On a rare warm and sunny day this spring, a large contingent of Corvette Club members and vintage car aficionados attended an open house at Willow Springs Winery, which was held to raise funds for Camp Oochigeas, a residential summer camp for young people with cancer. The event was broadcast live on FOXY 88.5 FM.
