## Great school, great effort

Glad Park shows it's not just a good school, it's a great school, as staff and students celebrate raising a total of \$6,152.08 for the Terry Fox Foundation on Sept. 12. Staff members Susan Dunham and Gail Snider stand behind top fundraisers Robertson Brown, Andrew Dunsmore, Kira Reesor and Emma Wood. Special thanks go to parents who volunteered to walk with students, supervise the route and set up water stations.

## Surveying the Stouffville scene

As we get ready for another municipal election, the Whistler invites residents to respond to an informal survey about our fair community.

The idea is to get people thinking about what makes Whitchurch-Stouffville a good place to live, and what could be done to make it even better. You can send your thoughts on all or any of the following questions to *Stouffville This Month* by e-mail to [wrinkles@hotmail.com](mailto:wrinkles@hotmail.com), by fax to 905-642-2368 or snail mail to 6111 Main St. Stouffville, L4A 3R4. You can also contact the Whistler by e-mail at [Whistler@444.net](mailto:Whistler@444.net).

Is there a part of town you never visit? Where do you go to relax? What is your favourite store? Which facility or service do you use most, and what do you think is missing? Do you know a good cycling route? Do you remember a special feature, such as a business, house or tree, that no longer exists?

What is the prettiest spot in town? Which street would you like to live on? Name two important landmarks. Where do you take regular walks? Tell us about areas you dislike and what you would do to improve them. Is there anything in town you would like to see eliminated?

Last but not least, where do you experience a true sense of small town? A new council brings fresh ideas and fresh faces to our community. Let us, and your councillors, know what you think.

## Eastern Gate Village hosts fall craft sale

The Eastern Gate Village Arts, Crafts and Bake Sale will be held from 9 a.m. to 2 p.m. Oct. 25 at 36 Eastern Gate Crescent south of Main St. between 10th Line and York-Durham Line.

Among the items for sale are water colour paintings, children's books, woodwork, folk art, handicrafts and Christmas trees. Take home some delicious home baked goods, try your luck at the raffle table and stop by the lunch table for refreshments.
