Complete set of attachments to power clean auto and garage

Thank You Stouffville for voting us the #1 Vacuum Shop for 18 years in a row!

German engineering that doesn't require a drivers license.

The Miele vacuum cleaner is one brilliantly engineered set of wheels.

With a powerful motor inside its sleek, Sealed System™ bodywork, and advanced HEPA filtration, the Miele delivers a higher level of performance for a noticeably higher level of clean.

However, you'll have to make the vroom vroom sound yourself, because unlike a Formula 1 race car, a Miele vacuum is virtually silent.

Miele

Anything else is a compromise
