

**CLOCKTOWER POTTER** – Marie Messina, originally from Italy, only began as a potter six years ago, but has become a skilled practitioner in several different styles. Like several other artists, she will be using the Old Town Hall on Civic Avenue as her Tour headquarters to show and sell her unique works of art.

**ROADSIDE PAINTERS** – Ray McNeice (left) and his wife Margaret Grandison paint their landscapes on their travels to many different parts of Canada and the world. The walls of their heritage home at 185 Church St., which you must include among your stops on the Studio Tour, are crowded with dozens of the couple's colourful works. And many of them are for sale!
