Parkview Home Fundraising Campaign Interim Report "Caring Into the Future"

As Chair of the Parkview Services for Seniors Board, I am delighted to provide this interim report on Parkview Home's fundraising campaign. The following figures are, of necessity, approximate since they include cash received, pledges, and yet-to-be received donations of services. (Full audits, following accepted accounting procedures, are complete at the end of each fiscal year.)

Donations received from:

Parkview "family" (Residents, Families, Staff, members of the Founding Churches, and Associations)	\$800,000
Whitchurch-Stouffville Community:	\$200,000
Whitchurch-Stouffville Corporate/Business Sector:	\$500,000

With a total raised to date of \$1.5 million (approximate), Parkview Home is well on its way to reaching its goal of \$3 million, a major contribution to the building of the new Home.

Parkview Home is open to all, regardless of cultural heritage or religious affiliation. All associated with Parkview value the love and support shown by everyone in response to our continuing campaign.

Thank you so much.
