Ken Prentice and Dundee Private Investors offer a Tradition of Good Financial Sense and Service that is Tried & True

Dundee Private Investors, Stouffville Branch, under Branch Manager Ken Prentice and Administrator Margaret Hollands, continues a tradition each day...providing the Best Choice to their customers in terms of product selection and rates. "Guaranteed Investments in the form of GICs and Segregated Funds provide the peace of mind investors are looking for today" states Ken Prentice.

Ken is no stranger to Stouffville. The former town councillor is past president and charter member of Stouffville Rotary Club. He maintains an active involvement on various community and industry boards.

"We believe that financial success begins with a good plan tempered by sound judgment. We have built our business on solid principles of listening to our clients and acting in their best interest. Informing our clients of financial risks to their plan such as the cost of long term care for themselves or a spouse, strategies to maximize returns while reducing taxes and simplifying their estate matters are all a part of the role we play as professional financial advisors. Financial guarantees need also be considered for children who may only be a few years away from requiring funds for post secondary education. We encourage clients to consider the importance of guarantees."

To book your free financial consultation call Ken or Margaret at 905-642-9507. Dundee Private Investors is located at 18 Ringwood Drive, Stouffville.

*Insurance products offered through Dundee Insurance Agency Ltd.

Dundee Private Investors (Stouffville) is proud to be a silver sponsor to
Parkview Home Building Fund.
