

# Stouffville Country Village BIA

**Christmas Shopping in  
Stouffville Country Village**

All the downtown stores are ready to make your shopping easy and affordable and so close to home! During the year, the BIA is responsible for making the Main Street come alive with lots of flowers and attractive gardens making shopping and strolling a pleasurable experience.

Now, at Christmas time we want to remind you to come and discover all that is waiting for you in our growing downtown core. There are gifts for any member of your family or that special someone, waiting to be discovered at any of the great variety of businesses lining our Main Street.

**Salvation Army 'Be An Angel Tree'**

Come to the Stouffville GO Train Station and donate a Christmas gift for a needy girl or boy this year. Open your hearts and make this Christmas a special one for ALL the children.

You can select a tag for a girl or boy or bring an unwrapped gift to the Station and the elves will make sure it gets to a good home.

And yes, gifts do find their way to young and old alike in Whitchurch-Stouffville.

Starting today until December 19, the BIA will be receiving gifts in the Station.

*Thank You and God Bless*
