UN BIMBO CIECO GUARISCE perchè gli cade sul capo una prugna

VARSAVIA. - I devoti abitanti del villaggio di Misnice attribuiscono ad un miracolo divino lo straordinario acquisto della vista da un bambino cieco dalla nascita. Il ragazzino, di ritorno dalla chiesa, stava giocando nell'orto quando una prugna caduta da una pianta lo colpì sulla testa. Immediatamente egli sentì come uno schianto nel cervello e si accorse che aveva acquistato la vista. (Radio Stefani).

UN VIAGGIO IN AUTO SENSU QUATTINI NAPOLI. - Lo chauffeur romano Leventesi, possessore del taxi num. 8338 Roma, accompagnava in Questura la notte scorsa il diciottenne Luigi Pagliuca. Questi, spacciandosi per agente della Polizia tributaria, noleggiava il taxi sul piazzale della stazione di Termini per farsi condurre a Napoli, pattuendo la somma di 750 lire oltre la regalia. Ma non appena giunto a Napoli, il Pagliuca confessava allo chauffeur di non possedere il becco di un quattrino e perciò aveva pensato di ricorrere all'espedito di un taxi non potendo neppure acquistare un biglietto ferroviario di terza classe per Napoli. Il Pagliuca è un epilettoide, suo padre è da parecchi anni chiuso al manicomio.
