**ITALIAN EDUCATIONISTS at CLUB**

Sunday at 8 p. m.

**Everybody Welcome to attend**

During the past week our Canadian newspapers have given prominent mention to the Italian educationists who have delivered a series of lectures at Convocation Hall, University of Toronto. They have extolled their good qualities and given front page space to all their activities.

The members of the Circolo Colombo and their friends attended these lectures nightly in goodly numbers and expressed themselves as delighted with the inspiring lectures delivered by those noted sons of

Italy: Commendatore Luigi Villari, illustrious Italian diplomat who represented Italy at Geneva conclaves, Signor Eugenio Croizat, a noted lecturer on Italian art and that famous patriot, Don Mario Colonna, duc de Rignano who at one time was governor of Rome and Signorina Amy Bernardy, author and journalist.

Last Saturday the distinguished group were guests of the Lieutenant Governor at Government House and on Saturday afternoon our Vice Con-

sul gave a reception in their honor at which the most prominent members of the city were guests.

On Sunday evening, January 14th at 8 o'clock, they will be the guests of the Circolo Colombo and will give a short discussion on Modern Italy. The Circolo Colombo offers our Italian colony the opportunity of seeing, meeting and hearing these ambassadors of goodwill from our native Italy, by extending to all a cordial invitation to attend.

**CLUB NOTES**

Many members of the Circolo Colombo and their friends have been regular attendants at the most interesting lectures being held at Convocation Hall under the auspices of the National Council of Education who are featuring "Italy week".

These Lectures were delivered by some of the most prominent educationists and lecturers of Italy who are guests of the National Council of Education. The entire week has been devoted to "Italy Week" involving Italian topics of interest.

Last Sunday evening a duck dinner was given the Circolo for its members to help defray existing deficits. Mr. W. Sansone and Jos. Piccininni were in charge.

Bowling activities are again in full swing. The mixed bowling contests which were so popular in the past should be revived and held more often and at regular intervals.

A special meeting of the members of the New Year's Eve dance committee will be held on Sunday at 3 P. M.

The members of the Circolo Hockey team held a most successful meeting last Sunday. R. Polito was re-appointed manager and W. Sansone, Secretary-Treasurer. Practice will resume early next week, weather permitting. Watch the daily papers for announcement of games.

Following the lectures at Convocation Hall last week it was a soothing sight to see some of the old members of the Circolo conclave at the Club discussing the merits of the lectures.

Maggie Altavista, our bowling director, has again been chosen by acclamation to be chief score keeper for the girls. Andy our steward, has unofficially been appointed chief coach.

Begin the year right and visit the secretary. Remember he awaits your visit at the beginning of each month.

What strange power has House Manager Joe Grittani over his high powered Columbia bowling team? Certain members of that team are very reluctant and take plenty of coaxing before they will venture forth onto those two lines of polished hardwood and deliver those "curvas" without the support of Bro. Joe.

The Question Marks have to be thanked for keeping a few of the brothers seated in our comfortable chairs where they can be seen enraptured in the contents of some of the books

which have come into possession of the Club through the work of the aforementioned. Bro. Pio Elia has also enrolled into the reading circle which already includes Bro. Nick Perugini, Sam and Hugh Costabile and many others.

Tony Riccio has not made any New Year's resolutions when it comes to playing "Hawts" as he still takes into camp such noted players as Brothers Gid De Spirt, T. H. B. Battaglia, Lou Gorassi. Yes sir, Tony's batting average is still 1000!

**BIRTHDAYS**

January 14th—Joe Barone,  
 January 15th—Antonio Novaco,

January 16th—Antonio De Biasio and Amedeo Belli.

During the coming week the above mentioned members will celebrate the anniversary of their birth. Each one of the boys mentioned is a well known Club member. Each has taken an active part in the progress of the Club and it is our wish that they live long, happy and contented.

Many happy returns of the day, Bros.

Another old favorite, now residing in Cleveland, celebrates his birthday on January 15th—Ernie Jafelice, former steward of the Club.

To Ernie too we extend our best wishes for many happy returns.

**First Circolo Social of NEW YEAR JANUARY 23rd**

Following the series of happy events of the New Year the Circolo Colombo are holding their first dance and social on Tuesday, January 23rd.

The Social Committee are making special preparations to make the initial social of 1934 a success. It is the intention of the Circolo Colombo to hold a series of dances, socials and lectures, the latter being of interest to both young and old while the former should appeal to the Italian youth. It is the aim and ambition of the Circolo Colombo and their entire member body to establish and maintain a spirit of goodwill and understanding amongst the Italians and to promote the ideals for which our Club stands.

The committee in charge of this social is composed of members who so ably promoted our New Year's Frolic. They assure you that this, our first social of the year, shall be as entertaining as our last event. A well known orchestra has been engaged for this occasion and popular prices shall prevail. We request to enlist your co-operation and that of your friends. Remember the date January 23rd. Watch this page for definite details in the next issue.

**RONCETTI - VOLPE NUPTIALS**

A charming wedding took place last Monday morning when Miss Rose Volpe, daughter of Mr. and Mrs. Michael Volpe, was married to Mr. Silvano "Ronny" Roncetti, at Our Lady of Mount Carmel Church. Rev. Father Auad performed the ceremony.

The church was decorated with evergreen trees and flowers and made a seasonal setting for the bridal party. The bride was given in marriage by her father. During the Mass the choir, of which the bride was formerly a member, rendered appropriate music under the direction of Mr. Frank Glionna.

The bridal party consisted of Miss Violet Mei, maid of honor; Miss Bertha Roncetti, sister of the groom, Miss Laura Volpe, cousin of bride, Miss Grace Volpe, sister of bride, Miss Lena Riccio, bridesmaids; Mr. Joseph De Laurentis, best man, Gene Volpe, John Volpe, Alfred De Laurentis, ushers; Loretta Volpe, flower girl.

A wedding dinner in which the immediate relatives of the bride and groom partook, was served in the Circolo while in the evening some three hun-

dred friends attended the reception at which the mothers of the happy couple were hostesses. At eleven o'clock the bridal couple amidst the well wishes of their guests, left on a honeymoon trip to the United States. Upon their return Mr. and Mrs. S. Roncetti will reside at 13 Walton Street.

To the numerous felicitations already received, we extend our sincere congratulations with the hope that the young and popular couple will sail on the good ship "Matrimony" in health, happiness and prosperity.

**MOUNT CARMEL SODALITY ELECT OFFICERS**

At a well attended meeting held last Sunday afternoon the Mount Carmel Sodality elected the following officers:

President—Miss Mary Cosentino  
 Vice President—Miss Mary De Pinto  
 Secretary—Miss A. Gismondi  
 Treasurer—Miss Mary Polito.

Immediately after the elections the girls commenced to make preparations for their first social of the season.

**SODALITY SOCIAL**

Monday, January 15th.

As announced last week, the Mount Carmel Sodality will hold their first social of the year next Monday night. The girls have made extensive preparations and expect to make this, their first social function of the year, bigger and better than ever. Everyone knows of the good comradeship and hospitality which permeates at all the socials held by this group of charming and vivacious young ladies. Their motto has always been "a good time for all" and they make it their business to see to it that everyone that attends has a good time. There may be other more elaborate functions held in the Italian colony but it has been learned through experience by those who attend the Sodality socials at the Club that the place for real good clean fun is at the Circolo Colombo.

**MAI**

prima di oggi i preparativi per un ballo sono stati fatti con tale e tanto entusiasmo, come per quello che avranno i Figli d'Italia di Toronto, la sera di Mercoledì, 31 gennaio, all'Alexander Room del King Edward Hotel. Tutte le volte che il comitato si riunisce per l'arrangiamento del programma, i vari membri intervengono al completo e discutono e consigliano e studiano sul miglior modo di contentare il pubblico. In ogni riunione ciascuno fa a gara per portare una nuova idea che ritengano possa meglio appagare i desideri del pubblico, dopo aver data seria considerazione a l'esperienza del passato. Tutti sperano che in questo ballo non si abbia la benché minima lagnanza o errore. In conclusione sarà tutto SPIC e SPAC.

**BALLO A ST. CECILIA**

Il 23 corrente, la sera alle ore 8.30, nella sala parrocchiale di St. Cecilia, Annette e Pacific Sts., ci sarà un ballo con buffet in scatole preparate a sorpresa dalle stesse ragazze che intervengono alla festa.  
 L'ammissione è solo di 25 soldi.

Apparently the boys have gotten over the festive season without any casualties judging by the scores. Columbus Coal continued their pace of last year by taking three points from Eatons in a close struggle. The former team have dug H. Fattori out of retirement and if he continues where he left off last year this team will be potential winners. Boley has again made an appearance after a long absence and led his team with 651 for three. The Lucky Strikes took four points from the weakened Hookers and once again G. Bernardo led his team with the fine score of 764. However it remained to the Columbias to stage the surprise of the week when they took three points from the Spows and in doing so they knocked off high team game for the season with 1287 and high three games for the team for the month with 3291. The ever youthful J. Longo rolled 751 for three and his teammate Guiffre rolled 754. Constable was the best for the losers with 282 (757) but the others were far behind.

At this time it would be advisable to remind the Spows, Columbia, Hookers and Eatons that they have a postponed game to play and trust that they will arrange a day to complete the schedule to date. The league is beginning to show more action right now and the fight for respective positions is more pronounced. The backward teams of the first lap are beginning to show their real ability and it would be nigh impossible to prophesy the final standing. Every team has a chance to get in the playoffs and the least "let down" of any team will result in another team forging ahead. So turn out full teams, boys, and fight every inch of the way.

**QUESTION MARKS**

The three Roses and a couple of strangers comprised the Question Marks turnout this week. Rose Lobraico started off like a house afire in the first game and at the first half she rolled 120. Then perhaps fearing to show the other girls

up, she slackened down to finish with 186. Rosalind ambled along at an average pace and then, boom, two strikes followed! And in a game with two blows she totalled 164. The other girls tried to keep up with the former two and as a result they also rolled nice games. Rosalind was the only one, however, who could keep up this pace and she followed with a second game of 154. Let me mention at this time that due to their being no write-up last week there was no mention of Louise Ponesse's good game so we will extend to her now the blue ribbon for her single game of 184.

The vultures have apparently been starved out and it was noticeable that Fred Catena was the only member present. Their ranks were increased, however, when Guido Gaglione went up and helped to finish their dainty repast. Now that the Xmas season is over we expect to see all the smiling faces of this charming club.

**FRIDAY NIGHTERS**

The Hit and Misses showed their superiority last Friday when they outclassed the Strikes and Blows in their bowling combat. Petit Josephine Grittani led the winning team with 287 but her teammates also aided her materially. May De-ferrari led the losing team with 265 but if she had a little better luck she would have hit over 300.

The girls seem to improve every time they bowl and with a little more coaching (page Jimmie Motta) they would be able to compete with any women's league in the City. For instance Rose Cairo had the right amount of speed but her control of the ball is very erratic. This can be rectified if she would keep her wrist rigid when delivering the ball. Chrissy sort of fell down on us this week but we know that when the league is over she will be near the top in the averages. Mary Dinorcia has shown a slight improvement every week and we hope to see her continue this rise. Kate Mazza also has improved her game to become a leading contender for top honors.

The attendance has been very good and we hope to have this cheery atmosphere for many weeks to come.

**DUTIES OF MEMBERS**

It shall be the duty of each and every member to attend as far as possible all the meetings and to behave himself as an exemplary Italian Catholic gentleman. When speaking at the meetings he shall first ask permission from the chair, he shall always address the presiding officer in a civil and courteous manner; and shall be as brief and as clear as possible in his speech. He shall be entitled to use either the Italian or English language according to the occasion or circumstance.

A member who changes his place of residence shall be duty-bound to notify the Secretary of his new address; failure to do this will render the member solely responsible of any or all consequences which may derive from his negligence.

Every member shall be prompt in the payment of his dues, indebtedness of any kind or for any reason he may have towards the Club, or any assessment, which may from time to time be levied against him by the Assembly.
