BRIDGE AND SCOPA PARTY Monday, February 5th

In Aid of Library Fund
 Next Monday will see the inaugural bridge and scopa party of the season get under way at the Circolo Colombo at 8.30 o'clock in the evening. For some time past many of our members and friends have complained of there being no social functions for the non-dancers, and in answer to repeated requests we are holding a series of card parties, the first of which will be held in the club rooms on Monday next, Feb. 5th as mentioned above.

To Help a Good Cause
 Not only will those taking part in these card games enjoy themselves but they will at the same time be contributing to a very worthy cause — a fund for the establishment of a library. This library will improve the intellectual status and widen the knowledge of our members and visitors and hence could be supported in every way possible. It is also another reason why the men of the Colony should join the Circolo Colombo to partake of the social,

spiritual and intellectual benefits which are to be derived therefrom.

There will be four prizes for the card games: first for Ladies and Gents for bridge and the same for the Scopa game. Players at each table will pivot after each game. As many players as possible are kindly requested to bring their own cards. The subscription is only 25 cents per person so that this should be no handicap to those wishing to spend a very pleasant evening in card playing and contributing to the success of the library fund. We hope that our friends will turn out in large numbers to give a good send off to this, the first affair of its kind this season at the club.

Book Gifts Welcome
 If any of our readers have books they have no use for at their home, we would be very pleased to accept same for inclusion in our library. A telephone call to the Circolo Colombo — AD. 2995 will result in books being called for promptly.

CLUB NOTES

The members of the Circolo Colombo who attended our monthly meeting were elated at seeing a valuable volume of the exploits of our patron, Christopher Colombo, which was a gift of the Italian government, through the efforts of our Consul General, Comm. Petrucci and our Vice-Consul Cav. Ambrosi. Many thanks.

It is understood that further volumes are to follow which deal with various phases of different topics, the same being both in Italian and English.

Preparations are already under way to construct a library case which will adorn our club-rooms. A committee composed of Jos. Garbarino, Nick Scandiffio, W. Sansone and R. Polito are busily engaged promoting a Bridge and Scopa, the proceeds of which will help defray expenses for building our new library.

A library board has been appointed to take care of our Library. It consists of Bros. Joseph Garbarino, Nick Scandiffio and T. Marl.

A match bowling contest was held last Saturday evening between Rheinhardt's and a few members of the Big Eight. Needless to say the Big Eight were the winners. A sweet re-

past was later held at the home of John De Rose, Dundas West.

Lou Cassullo has launched in a new line of endeavour. It is reported that he is contemplating entering the manicuring business. He was seen practicing his would be profession with a nail file in our Club for the past few days.

Our old friend, Art Fattori, put in an appearance in the Club this week after a long absence. We sincerely hope that Art will be with us more often from now on.

Jos. Arrigo has been enrolled in the membership of our Club. We wish to take this opportunity to welcome our new member and hope that he will become an active one.

Our monthly meeting last Sunday was well attended and many matters of importance were thoroughly discussed and passed upon.

Incidentally our regular meetings will again revert to the third Sunday of the month as previously.

At the general meeting last Sunday a vote of thanks was made for the good work of our New Year's ball committee. Bob Polito responded with sincere thanks for the full co-operation he received from the members in general.

The Xmas tree for the children of the members was re-

Circolo Colombo WELCOMES H. E. PARINI

"I come, I see, I conquer". This phrase translated from the latin motto of Caesar describes the visit of H. E. Piero Parini who came, saw and conquered the hearts of the Italians of Toronto.

We have had many illustrious Italians visit us during the past, but no one made as favorable an impression as H. E. Parini. The Circolo Colombo had the pleasure of a personal visit to their club-rooms and extended to Gen. Parini a sincere and hearty welcome. The Circolo

Colombo is always ready to greet and take into their fold, representatives of the Italian Government as a mark of their respect and patriotism for the motherland.

Welcome, Minister Parini, a true patriot, statesman and gentleman!

Your visit will be a memorable one to all the members of the Circolo Colombo. You can rest assured that our motto, "God and Country" will always be our guide and standard.

ported a great success and favourable comments were in order. It was suggested that this innovation be again followed next year.

An old time party was held at the home of Jos. Barone last Sunday evening with many members of the Spow cottage renewing old feuds. "Fat" Battaglia and Pio Elia were very conspicuous during the tresette games. Following the games Mrs. Barone served a dainty luncheon for the boys.

The item of dues, which is of vital importance to the existence of our Club, is receiving

much attention by the members of late and, approximately, we have one hundred "paid up" members.

Dr. Michael Scandiffio who is now stationed at Guelph paid us a flying visit and incidentally while here took in the Circolo Hockey game at Willowdale Arena.

Dr. Anthony Vince, one of our prominent dentists and a member of our Club, paid us a visit last Wednesday evening where he renewed many old acquaintances. As usual he had a good story to tell.

LIGHTWEIGHT WRESTLERS SHOW MORE SPEED Orth Again Features

Speed, more speed and thrilling action was the consensus of the seven thousand odd fans that attended the first wrestling card featuring lightweight and light heavyweight wrestlers held by the Arena Gardens Club three weeks ago. It was an experiment and officials of the Arena Gardens are to be congratulated for introducing this form of sport to Toronto.

Next Thursday night another card of "lighter-than-heavies" will be offered. Paul Orth "Tarzan of the mat" who caused quite a sensation on his first appearance here has been matched with Jack Sampson who is considered champion of his class.

Orth was a combination of Zaharias, "Gentleman" Jack

Washburn, Garibaldi and Ray Steele, in his last bout. He showed the showmanship of the former two and the cleverness of the latter. He has already become the arch villain of the lightweights. In the semi-final "Red" Simmes and Bobby Jackson have been rematched by popular demand. These two grapplers "stole the show" on their first appearance and Matchmaker Tom McLure not only provided for a return match but arranged that it be a forty-five minute bout with the best two out of three falls to decide the winner. Danny McDonald, Toronto middleweight who did so well in the Olympics, will also appear on the card. If you want to see speed, thrills and action attend these "lighter-than-heavies" shows.

H. C. WINS FOURTH GAME

The Circolo Colombo have set up an enviable record with four straight wins in as many starts.

Last Monday evening they registered their third shutout of the season against the Sioux at Willowdale by the score of 3-0. Although the weather was extremely cold a great many Circolo rooters were in attendance including Dr. Scandiffio who happened to return to town from where he is stationed at Guelph and enjoyed seeing some of his old teammates perform in stellar fashion.

The first period resulted in many uncalled for penalties on the part of the referee and incidentally there was no score. During the intermission Lou Spalla was unanimously elected captain of the team and when the boys took to the ice he signaled his appearance by scoring the first goal of the game on a beautiful solo effort. Under his able direction on the ice the team became organized and began functioning like a well oiled machine.

The third period opened with some very fast play on both sides. The Circolo boys began clicking with their combination plays and on a pass by Bernardo, Dossey scored the second goal. A few minutes later Lou Spalla served up the game by

scoring his second goal on a double pass — King to Scandiffio to Spalla. The boys played well and are improving with every appearance.

On Thursday night the Circolos held the highly touted Westwards to a 1-1 tie at Royal Rink.

There was no score in the first period but in the second frame the Westwards sank in a goal as a result of bad clearing on the part of the Circolos, the first scored against them in a league game this season.

They pressed hard in the final period and Vic Bernardo's goal in practically the last rush of the game tied the score. Lou Spalla and Pat Zona stood out on the defence and Bernardo and Scandiffio were the best of the forwards.

The line-up: Goal, Chrystdale; defence, Fratteroli, Spalla; forwards, Scandiffio, l. w., Bernardo, c., Gismondini, r. w.; subs: King, Dossey, Zona, Townsend.

FRIDAY NIGHTERS

This week we find the Stripes and Blows much the best taking two games from the Hookers and Misses. Led by their star Chrissie Mastrangelo who rolled 376 for two, the former am overwhelmed their less fortunate adversaries. As usual Rose Cairo led her team with 307 but it wasn't enough. Looking over the sheet, I notice that there has been a great deal of improvement all down the line. Whether this is due to the presence of a coach or whether it is the result of the new vogue in bowling introduced by the Friday Nighters, namely using four balls instead of three, we do not know. The idea if adopted by the C. B. will, we feel sure in saying, revolutionize the bowling world. Even at that, however, I doubt if Ann Lobraico or Helen Griani will reach the 100 mark. However this pair has been to be charming hostesses on many occasions which will please the men much more than their bowling ability.

QUESTION MARKS

It is getting to be a habit to mention the fact that Rosalind leads the girls in the bowling scores so since she did that very thing again this week we won't say a word about it. Rosalind Yanuziello (I got it right this time) tried to put a fast one over when she put the name ELISA on the League Score Sheet but we all know that she means Babe (Jane Caynor) Palange. Louise had a nice single game of 170 for her first effort but in the second encounter she faltered and barely hit over 100. Rose Lobraico continues to roll a steady game and since she is endowed with the wit of her two uncles and over-blessed with the greatest of all womanly virtues, namely charm, her presence at the club is always looked forward to by little women, all, but with hearts of gold.

Once again the vultures have their fill and the writer wishes to extend a compliment to the baker of the delicious Danish cakes. Bob Polito's amour lives East of Ossington.
