The Columbus Coal cinched the top position in the bowling league, when they took four points from the Five Pellettiers. In justice to the latter team, we must mention the fact there were bad break more than poor bowling that shook them off the top limb of the tree. They lost the first game by 29 pins and the second by 16. In the third game it started out well for the Five Pellettiers, but continued bad breaks undermined their morale. It is hoped evening's performance.

A most delicious and sumptuous dinner was served by the manager and the President of our Club who prepared the dinner. Many of the rooters were present, the most prominent being Andrew De Falco, the cheer leader.

Following a few illuminating addresses by Nick Perugini, and Rocco Polito, the coach, who stressed the importance of sport activities amongst the colony and the benefits derive therefrom, the banquet came to a close with a few appropriate words from the H. C. Manager, W. Sansone, who assured us that the Circolo would again be represented in this branch of sport next year with a championship contender.
