Circolo Colombo Easter Ball

Last year some four hundred people attended the Seventeenth Annual Easter dance of the Circolo Colombo and it was proclaimed the outstanding social event of the season. This year the committee have completed plans to far surpass last year's success. Requests for invitations have been received from many points outside the city. Evidently the fame of the Circolo Colombo Annual dance has spread far and wide. There is a reason for this, as everyone who has had the pleasure of attending readily knows. The Circolo Colombo dance is THE dance of the year. It is the first chance that the pleasure loving Italians have of giving vent to their suppressed state after the Lenten season. Here congeniality, sociability and good comradeship permeates. Everyone, young, old, friends, strangers are made to feel at home, so much so that before the evening is well under way, the guests feel like a large happy family. This friendly feeling has been the main cause for the Circolo successes.

At this Easter Monday dance the unofficial annual fashion parade of the Italian colony takes place. Last year the society reporters were astonished at the creations worn by our Italian girls. Another outstanding feature of this dance is the fact that a first class orchestra is always in attendance. All the above facts warrant the excitement created

by the Circolo Colombo Easter Monday dance. "It's the talk of town".

REVEREND FATHER H. CALLAGHAN TO ADDRESS OPEN MEETING AT CIRCOLO COLOMBO, SUNDAY

MARCH 25th, 1934 at 3 P. M.
 Father H. Callaghan, one of the most entertaining and instructive speakers in our City will be heard next Sunday Afternoon at the Circolo Colombo (202 St. Patrick St.) He has made an extensive study of the social and economic problems and is in close and constant touch with Catholic Activities. His address on Catholic Action will be discussed as only Father Callaghan can do it and everyone attending will be a much much better Catholic after hearing his address.

A hearty invitation is extended to the members and any person desiring to attend.

CLUB NOTES

It is the intention of the club to run a consolation series similar to that of last year and anyone wishing to compete will find an opportunity to avenge some of the regular season defeats.

The Bridge and Scopa club under the able direction of Jos. Garbarino and his assistants,

enjoyed a great session in these favourite pastimes. These games are now suspended until after Easter when they will again be renewed. A great crowd attended last Monday's party.

The Joes celebrated St. Joseph's day at the Club last Monday evening, acting as hosts to the Bridge and Scopa party, at the conclusion of which they served a very delicious luncheon.

Dr. and Mrs. Frank Masiello are enjoying a few days' vacation with the latter's parents. Mrs. Masiello attended the card party and seemed to have enjoying herself, mingling and playing with her old acquaintances.

The prize winners were: Bridge — Mrs. Teolis and our Secretary; Scopa — Mrs. Mastangelo and J. De Rose. The lucky draw winners were Mrs. Fontana and T. Battaglia, respectively.

John Longo was elected as Treasurer of the Circolo Colombo, which post was made vacant by the resignation of G. B. Garbarino. Bro. Longo makes a valuable asset to the present Executive.

Tickets for our annual Easter ball are ready for sale and distribution. They may be obtained from any member of our executive. Remember Circolo Colombo expects every member to do his duty to help make this year's dance the best and biggest ever.

Loren Cassina and his regular band, the same which played at our New Year frolic, will play at our 17th annual ball. There will be no outsiders in the band as was the case in some of his past engagements.

Any member or his friends wishing to have their names included on our special mailing list are requested to get in touch with the chairman, R. Polito, or any member of the Club, who will only be too glad to insert same for our Easter ball.

Welcome to Louis James, who recently was admitted to the membership of the Circolo Colombo. Lou is one of the boys of the old neighborhood and is well known to the boys who once resided in the precincts of the "Ward".

Circolo Colombo will hold their annual Easter Communion on Sunday, April 8th. It is not necessary to mention that it is the duty of each and every member to perform this obligation. Remember the date, April

8th, at 9 P. M. Breakfast will be served in the Club-rooms following Mass.

A regular Club Sunday is to be inaugurated by attending Mass at Our Lady of Mount Carmel Church on the second Sunday of each month. Further details will appear in the next issue. Be posted.

Louis James and A. Pellettier take this opportunity to challenge any other team in the club to a match at auction or contract bridge.

The newly formed club, "The Smart Set", made its social debut on St. Patrick's Day when a delightful party was held at the president's home, Mrs. R. Elo, 128 Earls court Ave. The decorations were carried out in St. Patrick's colors. Several young ladies assisted in looking after the guests, seeing that they were well entertained. The programme consisted of dancing, games and sing songs etc.. The main feature of the evening was Joe Catena's famous "Hunting Scene", which was done to perfection (Am I mortified, or were they embarrassed!). A delightful luncheon was served at midnight, after which dancing again resumed until the wee sma' hours of the morning.

The Circolo Colombo Bowling League came to a successful end this week after twenty-one weeks of fun and activity. As mentioned last week, the Columbus Coal took the leadership with the Five Pellettiers finishing two points behind. Both teams took four points during the week, the former team winning theirs by default whilst the latter team took theirs from the Columbia, thereby eliminating them from the playoffs. The Lucky Strikes made a belated rush to take three from the Eatons but as the latter

team are already in, there was no change in the standing. At the time of writing the Spows have yet to play the Friuli and the big point winners in this set will meet the Five Pellettiers in the first of the playoffs, on Tuesday, Mar. 27. The two remaining teams will meet on Monday, Mar. 26.

Since it is necessary that a member of any bowling team must have played in at least 21 games before being eligible for the playoffs a notice will be posted of all such players and the managers are advised to check it over before any disputes may arise.

In looking over the scores for the week we note that garrulous Conti has at last come into his own. Two single games of 288 and 283 were his efforts for the week and if he had repeated this achievement occasionally throughout the season his team would have easily made the playoffs. G. Bernardo was in there as usual to bring to a climax a very successful bowling average. Mallen of the Eaton team was also in there with 805 for three games. Turnbridge finished his last week with 725 and is assured of the high average. E. Pellettieri, J. Longo and Guiffre were the standouts in the third game of the week. As soon as the figures are available, statistics will be published re bowling averages, etc.

MISSION AT MT. CARMEL Begins Easter Sunday

Our annual Mission is to be conducted at Our Lady of Mt. Carmel church beginning Easter Sunday, April 1st. The Mission will be conducted by a Franciscan Monk, Rev. Father Baló, a noted Italian speaker.

Each and every member of our Club and of the Italian colony in general is invited to make this Mission as much benefit is derived therefrom and serves often to bring back the stray sheep to the fold. Incidentally, Father Baló will conduct the special Good Friday Services which are well known to the Italian colony and which is promoted by the Sicilians of the Colony.

Hear the latest? Henry Barone landed a job in a mattress factory, testing out the finished mattresses. He is always lying down on the job.

"Yes, Rose, sure Rose, O. K. Rose, all right, Rose, good-bye Rose."

He hung up the receiver and ran out to meet Rose. Presumably Leonard aims to please somebody's Rose.

"Golden" Busato has turned Cataline. All he asks for is a soap box and an audience. We tried to convince him that this is not an orator's world but he talked his way out of it.

On the level — Vic Bagnato is running a fresh air taxi. He is trying to make money to run the car and make more money

to buy gasoline.

You never heard of a banana roast or a banana party! You will pretty soon and it is going to be a sizzler. Natale is responsible and you can expect almost anything from him.

The last party was too good to last, that is why it broke up early. To be critical it lacked a few gigolos for the damsels but they kept well in high spirits, shouting their college yells.

And what an orchestra! Whew! Vic Bagnato was leader. Isn't that enough?

Our dance is still far off. We are preparing far in advance and covering every little detail to make sure nothing has been overlooked to make it the biggest success. Nuff sed.
