HOLY NAME PARADE SUNDAY, JUNE 24th

Once again the day on which all the Catholic men of this city will have the opportunity of acknowledging their Faith, the day of the annual Holy Name Parade, takes place on Sunday, June 24th.

Rev. Father Auad, our chaplain, makes a special appeal to all the Italian men and boys to make a sacrifice in honor of the Holy Name of Jesus, and attend this rally.

L'Ingegnere Vincent De Marchi ci ha lasciati per qualche tempo: egli trovava a Camperdown, nel Nord Ontario per ragioni di lavoro e si trattera in quella sezione per diversi mesi.

Flavio, il nostro socio "sport", si e fatta la sua automobile per poter piu facilmente rispondere alle numerose chiamate.

I membri del Circolo Colombo, riuniti ieri sera in seduta speciale per l'approvazione del resoconto revisori di conti, ha deliberato di aderire alla stessa

e possibilmente avere la banda Fu subito aperta una sottoscrizione con \$25 dal signor G. B. Garbarino.

Mr. Charles Befrene III It is with deep regret that we have learned of the serious illness of Mr. Charles Befrene, father of the popular Befrene girls. We wish Mr. Befrene a speedy recovery.

Dr. Michael Scandiffio was a visitor in the city last week.

George F. Sansone, opened his branch office in Markham yesterday, and he reports that it was a successful day.

We have received several inquiries regarding Mr. Sansone's office. It seems that a lot of the people think that he has opened an office in Markham permanently, but this is not true.

Il telefono del Circolo da qualche giorno funziona troppo spesso, specialmente la sera. Nove volte su dieci si sente chiamare: "Landy"? Chi e questo nuovo arrivato che ha sostituito John, Jimmy, ecc.?

John Grieco e la sua signora, Lina, sono tornati a Toronto dopo il viaggio di nozze negli Stati Uniti e fra giorni andranno a stabilirsi nella nuova residenza: 519 Parkside Dr.

De Silvestro A Toronto Una Gentile Lettera di Parini

Domenica, all'assemblea della Loggia Ontario Ordine Figli d'Italia, fu dato l'annuncio che il Supremo Venerabile dell'Ordine, Giovanni De Silvestro, sara a Toronto, di passaggio giovedì 28 giugno, diretto a Sault Ste. Marie, ove il primo e il 2 Luglio avra luogo la Grande Convenzione dell'Ordine stesso per la provincia d'Ontario.

Vi sara una conferenza data a tutti gli italiani in questa circostanza e la Loggia Ontario prepara un ricevimento in onore del Capo della grande famiglia dell'Ordine.

Daremo prossimamente ulteriori particolari sul fatto.

Inoltre la Loggia Ontario ha deciso d'invitare quale suo delegato a la Convenzione di Sault Ste. Marie il fratello Tommaso Mari. Notevole, a questo proposito, e la rinuncia spontanea del sig. Salvatore Tammara a delegato, avendo il Grande Concilio deciso di avere un solo delegato per economia di spese, malgrado lo statuto ne prevedeva due.

E' stato altresì deciso che la Loggia Ontario contribuisca a la biblioteca "Elisabetta De Silvestro" con qualche libro dono dei fratelli di Toronto, quelli di Sault Ste. Marie.

La Loggia Ontario terra' quest'anno un picnic familiare; per esso agira' il comitato ballo in onore di S. E. il Ministro Piero Parini, che ha inviato la seguente lettera al Venerabile, in risposta ai ringraziamenti rivoltigli per aver accettato la festa dell'Ordine in suo onore. "Roma— 7 Maggio 1934— XII. Caro Zambri, ebbi la Sua gentile lettera del 24 marzo u. s.

Ricambio il cordiale saluto della Loggia Ontario che ha rinnovato in me il ricordo delle ore di vibrante italianita' passata a Toronto. Con viva cordialita' Parini."

Infine la Loggia Ontario ha deciso di sospendere le sedute per i mesi estivi, luglio, agosto e settembre. I pagamenti mensili debbono esser fatti al sig. Marco Missori, 287 Claremont St. Tutti gli altri servizi funzioneranno come sempre.

Nella seduta di domenica della Loggia Ontario s'e discusso inoltre la partecipazione della stessa al rinnovato Fondo Unico Mortuario e la maggioranza dei soci e sembrata favorevole a la partecipazione, giacche pare siano stati eliminati gli inconvenienti che ve l'avevano fatta ritirare.

A commento di questa attiva seduta della Loggia Ontario, si puo fare l'osservazione che ormai sembra la Loggia stessa avviarsi verso un'era di fattivo lavoro costruttivo.

PICNIC DELLA FRATELLANZA

Il segretorio del comitato Picnic della Società Fratellanza ci informa al telefono che esso avra luogo il giorno di lunedì, 6 Agosto, nel recinto del Grand Stand dell'Esposizione. Ci promette ulteriori particolari in seguito non avendo per ora altre informazioni.

GLI SPOSI SI RITIRANO AL NIDO

Giovedì della scorsa settimana la coppia De Stasi—Puma si e ritirata nel proprio nido, a Henderson street, e un gruppo di amici gli ha improvvisata una serenata che e durata fino alle 6 del mattino. Fra i suonatori hanno fatto sfoggio della propria specialita' il nostro Ciampolillo col suo violino e Francesco Leone col clarino. Va senza dire che gli sposi, aiutati dalla famiglia, intratteranno l'allegria comitiva e la trattarono come si conviene a disturbatori della quiete di famiglia. La punizione e stata fatta a base di biscotti, vino, soda, ecc.

Time for a Change

(Continued from first page)

and creeds. Under the guiding and honest hands of these men Canada grew and flourished. Why? Because these men had no ulterior motives. They worked and slaved in the interests of their fellowmen and their country.

After their regime of honest endeavours which naturally brought wealth to the country, politicians backed by money holders, money lenders and vulgares otherwise known as our Capitalists, stepped in to victimize the country. Love of country, patriotism and goodwill towards fellowmen disappeared, avaricious greed, selfishness and the utter disregard of the welfare of the masses has run rampant. In no province more so than Ontario has this state of affairs existed under the present Conservative Government.

Disclosures are being made daily which are only surface scratches compared with what will eventually get out if the Liberal Party gains control. What are the true facts of the Abitibi Power Purchase, the Liquor Control Board "toll-gate" scandal, the padded pay sheets of the Highways Department, the \$50,000 paid Jno. Aird Jr. in the Madawaska power deal, the Hydro-electric investigation, the "justice" meted out to the stock brokers who stole millions of dollars from the public and numerous other cases of maladministration of the present Conservative Government?

As the "Shadow" of radio fame would say, "No one knows, but the Shadow" which, in this case, is the Conservative machine, and no one will know unless there is a change. We, everyone of us, no matter in what walks of life, have and are still suffering from the burdens of heavy taxations. We have all had to lower our standards of living so much so that many of us are merely existing.

It is true that the depression is world wide, but it is also true that England, Italy, France and other European countries, have made far greater progress towards recovery than has Canada. And why? There is just one answer for this, Statesmen have replaced the Politicians.

Sane, intellectual and unbiased people marvel at the progress that Benito Mussolini has made in re-establishing Italy with a population of nearly 43,000,000 living in an area not nearly as large as Ontario, with no natural resources, land which has been worked out through the centuries, until at the present time it takes real hard toil to make it produce. What has brought this condition about? How was it possible for Mussolini to raise Italy which was being dragged into the mire and strangled to death by "Politicians", tools of Capitalists? How was it possible for Mussolini to eradicate the horrible ravages of Anarchism and Socialism which was running rampant in Italy at the time when il Duce made his appearance? These questions are easy to answer: Mussolini! And as we all know Mussolini in the eyes of the world to-day stands for Honesty, Integrity, Industry, Patriotism, Love of his Country and his fellowmen. All these qualities rolled into one word will give you what Ontario and Canada needs badly at the present time "STATESMANSHIP".

If Mussolini has been able with the meagre resources at his disposal to bring about peace and order out of the turmoil of starvation, ruin and revolutionary conditions which existed in Italy, why have Messrs. Henry, Price, Finlayson, Martin and Macaulay, with the resources at their disposal, that of governing the richest province in Canada, failed so miserably in making any effort to bring about better living conditions, peace and happiness which this province should be enjoying? There is only one answer for this and that is that they are "Politicians" backed by a self vaunted "great machine". Fellow Italians, do we want to be governed by a machine or do we want to be governed by intellectual human beings?

From the political platform, Messrs. Henry, Price, Finlayson and in fact all the Conservatives, are belittling Mitchell Hepburn as being too young, radical etc. etc. Can these same men say the same thing about Mussolini? In 1922 when Mussolini made his famous march on Rome in the memorable and history making "Bloodless Revolution", he was of the exact age that Mitchell Hepburn is to-day. Was he too young, too radical? History proves that in these times youth will be served. We want and need men with fire and spirit to rouse us out of the lethargy in which the "Old" Conservative Party has through its inability, maladministration or what have you, put us. Ten years ago the Conservative Party fought tooth and nail to oust the Farmer Party. They succeeded and what happened when they got into power we all know. They caused investigation upon investigation so much so that several of the Cabinet Ministers of the Farmer Party were sent to the penitentiary. The time is ripe for a change now. Let Mitchell Hepburn, a fearless fighter who has never had the finger of suspicion pointed against him in his short but meteoric political career, take over the reins of power, let him delve into the doings of the present government for the past ten years. This is the only way that we can find out whether or not the present government has conducted the affairs of this province in an honest and fair manner. Who knows but that the Liberals may be able to unearth similar conditions existing in the Conservative Government that existed in the Farmer Government. Vote Liberal. Hepburn and his party has selected men of character, integrity and honesty to carry the Liberal standard. These men have like you and I been going through the prevailing hardships. They have not had "cushy" jobs with high salaries like the government officials, and Conservative "Ward he-lers". They are men like you and I who have had to lower our standard of living. They know the human angle of present living conditions through experience. They will give us humane government, not machine government.

If you want to get rid of the Henry government, a government that has crucified the workingman, by its extravagant expenditures so much so that nearly everything that is necessary in every-day life, is taxed to the hilt, vote for Hepburn and Liberalism. It is you and I who have to pay, not the moneyed men of the calibre of Henry's politicians. Get behind the avalanche of public sentiment. Vote for the official Liberal Candidates.

See what new young blood can do to alleviate suffering humanity. Mussolini did it in Italy. Hepburn will do it in Ontario!
