February 17th, 1936

Editor, The Toronto Daily Star, King Street, Toronto.

Dear Sir:

I thank you for your kind reply to my letter of Friday last.

It is unnecessary to deal with politics; my countrymen, in the future, will clearly show you that your prediction is groundless.

As to the copies of the dispatches sent to you, I agree that they were cabled by several news agencies, and published in many newspapers.

In your position, however, you cannot be ignorant of the fact that they represent propaganda, carefully prepared by complacent advisors of the Negus, and all news relating to such bombings were denied not only by Italian Officials, but also by British, Egyptian, American officials and newspapermen, and by the Ethiopian Emperor himself.

You certainly know what misuse the Ethiopians made of the Red Cross sign, and this will explain the mistrust of the Italian aviators towards the Swedish Hospital, which was carrying twenty thousand shells of Belgian make, as the Swedish Minister in Rome admitted in an official communication to the Italian Government made on February 12th.

It clearly appears from the text of my prior letter to you that I do not object to the publication of dispatches unfavorable to us, but to the SUPPRESSION of all important news, that throw more light on current events.

In this matter you failed to give me an answer, and I hope that you will be fair enough to allow your many readers to draw conclusions from what I wrote by inserting in your newspaper the whole of my letter and the pictures I have sent you.

With my best regards, I am Yours very truly,

G. Tiberi Royal V. Consul of Italy.

As one could easily expect from the fairness, the appreciated and known kindness of the chief editor of the "Toronto Daily Star" and from the high standard of such an IMPORTANT newspaper, the requested publication was DENIED.

Toronto, February 19th, 1936 G. Tiberi, Esq., Royal Vice Consul of Italy, 72 Queen Street West, Toronto.

Dear Sir: I am sorry we are not able to find space for the publication of your

lengthy letter of February 14th or the photographs which accompanied it. I am therefore returning the photographs to you as you may have further use for them in some other connection.

Believe me to be, Yours very truly, J. E. Atkinson

CLUB ROYALE

The Italian Recreation club extended to us a hearty welcome last Sunday, and have placed a room at our disposal for the weekly meetings.

The main topic of conversation was our new locale. The boys are quite satisfied, particularly because it is centrally located for our members.

Armand Rossi and Bill Bagnato were asked to help distribute the dodgers for our dance at the different Italian affairs to be held before Tuesday.

The boys whiled away the time before the meeting was called to order, at a billiard table. A minor tournament between Bill Bagnato, Tony Leone, Vic Bagnato and Henry Barone kept the boys in an exciting state. The onlookers tried to coach each contestant in playing his shots, and victory went to the latter team.

"Don't forget to put your dues money aside, boys. It's more important than a game of pool."

Due to a misunderstanding between Louis Belvedere and the club, Louis sent in his resignation. The boys are sorry to see him leave because he is lively and humorous. We are sure that if he hadn't been a little too hasty the matter could have been patched up.

Each year the C. P. R. sends a hockey team to Windsor for an exhibition game. Our own Frank Madott is on the roster. Last season the American cigarettes he brought back with him didn't last very long. Will he have to dish them out as fast this year?

The new member introduced to the club last Sunday was Fred Sorretti. He is well known to most of the members and they speak well of him. Get in with the boys, Fred, and have your say.

One of the members was fortunate in winning first prize at the raffle held by the Royalettes on Valentine day. The club will make it their duty to christen the sandwich grill in the near future. Watch out, Henry, lest they break it on you.

How would you like us to hold a dance at the Royal York Roof Gardens? You would? Swell! If you want this wish fulfilled, co-operate with us by attending our pre-Lenten affair at St. Agnes hall next Tuesday, February 25th. If it meets with any success, we promise you a dance at very reasonable prices right after Lent.

Tony: "What colour is the wind, Nick?" Nick: "It has no colour". Tony: "That's funny, in my book it says 'the night was dark and the wind blew'."

Louis: "I can't get this big flask of beer in my pocket." Jimmy: "Well, empty some of it out, you sap!"

Bill: "Fred has seen a lot of the rough side of life". Frank: "How come?" Bill: "Oh, he works in a sandpaper factory."

Armand: "Here, have a cigar, Henry." Henry: "What's wrong with it."

THE ROYALETTES

Here we are again, folks, bringing you the sensational news of the week concerning the Royalettes.

Friday was a big night for the club. Our Valentine party which was held at the Recreation Club met with a large measure of success.

Where did the girls find those attractive fellows to bring to the party? They were real good-looking.

Congratulations to Henry Barone for winning first prize in the raffle; now we'll have to find someone to toast sandwiches for him.

Who was the "belle of the ball" who attracted all the fellows? Maybe they fell for her curls. You never can tell nowadays.

Our floor-show boasted such celebrities as Bing Crosby (Jack Pesce), Joe E. Brown (Duckie Etwell), Sam Rand — without her fans — (Bimbo) and Rudy Vallee (Tom Thompson). Many thanks to them for a delightful hour of entertainment.

Helen was there with a new flame and she wasn't the only one who thought he was nice.

Minnie (our Ha-Ha girl) sure is a swell dancing instructor. At least Nickie thinks so.

Any time you want your table decorated in a fancy way, send for Rose. She made a nice job on Friday with all that red and white paper.

Kay and Bimbo "hit it off" alright. He even took her home.

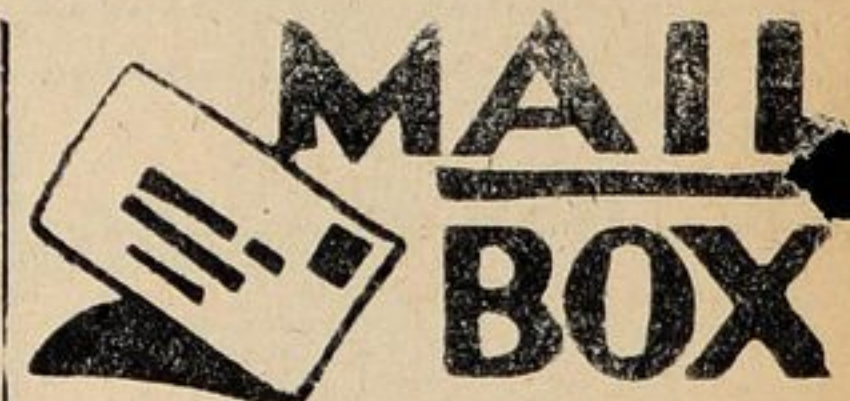

What's the matter, Mildred? Can't you take it? We phoned you at 11.40 on Saturday morning and you weren't up yet. Parties don't agree with you apparently.

We were sorry that our new member, Fanny, could not be with us owing to her dad's illness. Best wishes for a speedy recovery.

Turn the spotlight on Fred Astaire (Frank Genovese, Jr.) and Ben Bernie (Nick Daquanno).

The next meeting will be held at the home of Miss Mildred Genovese at 502 Crawford St. We will hibernates until then.

The Little Gossiper.

"LAST CALL FOR THE BIG DANCE" Ultima Chiamata Per Il Gran Ballo

Ogni preparativo per il ballo di lunedì al King Edward Hotel, dato dai Figli d'Italia, è stato compiuto in modo che il pubblico possa trarre da esso la massima soddisfazione e il massimo compiacimento. Si prevede una folla numerosa ed elegante; un servizio perfetto malgrado il pubblico atteso e le molte cose che il Comitato ha disposto. Sono stati preparati rinfreschi e un ricco buffet per tutti, onde rendere piacevole una serata ai seguaci di Tersicore e quelli che la Dea delle danze hanno abbandonato per qualche piacere meno faticoso.

Il ballo avrà luogo al primo piano del King Edward Hotel, nella Alexandra Room; l'orchestra Busseri ha approntato un programma tra i più mo-

derati e più eccitanti. Tutte le ultime novità in materia di danze saranno all'ordine del giorno. Sono già state riservate molte stanze che lasciano prevedere una feconda attività anche fuori della sala da ballo.

Come annunciamo, le signore avranno un ricevimento speciale, al quale attende un gruppo della Loggia Regina Elena. Sono stati diramati inviti a molte persone della colonia e a tutte le società locali.

Questa festa giunge in un momento spirituale ottimo perché viene quando i nostri cuori sono allietati dalle notizie confortanti che hanno tanto rianimato gli italiani: le vittorie che le gloriose armi nostre hanno riportato in Africa, sono motivo di le-

tizia per noi che abbiamo vissuto e viviamo il continuo fuoco d'una propaganda subdola ai danni del nostro popolo. Pare che il Comitato abbia preparato per questo qualche cosa di speciale e non si voglia lasciar sfuggire sì bella occasione per ricordare gli avvenimenti che dominano nell'animo di tutti.

Il R. V. Console e il Grande Venerabile dell'Ordine, presenzieranno la festa. Era stato esteso invito anche al Console Generale, ma mentre scriviamo non si sa ancora s'egli potrà esservi presente.

Il ballo s'inizierà alle ore 9 e avrà fine alle ore 2 a. m., salvo complicazioni.
