

# Victory Loan Campaign

Editor Grand River Sachem:

Dear Sir,—I have pleasure in giving you the final results of the Victory Loan campaign in Haldimand County.

The total number of subscribers, 2,267; total amount of subscriptions, \$1,103,900, an average of \$500 per subscriber.

From what I can learn, I should judge this is a record for practically any agricultural county like Haldimand.

On account of Caledonia subscriptions being included with the surrounding townships the exact figures for the village are not available, but I have reason to believe the showing was a very creditable one.

Yours very truly,

R. B. YOUNG,

Organizer, Haldimand County.
