Dear Miss Buckley

Just a few lines to let
you know that I received the Patriotic
O.K. Thank you and the League
very much for your kind Xmas
remembrance which was very
nice and 'come in very acceptable
for me every thing was just fine we
are having some very cold weather here
at present and more snow on the
ground than usual although it is
much better than the old world.
I have written thanking you sooner
but we were on the move back for a
rest and of course was too busy we
are spending Xmas & New years in a
small village, back from the front
line as we spent 2 Xmas in
the Trenches and in hope the
war would have been over before
