A bad cold caused an affection of Matthew Clarks' lungs. He tells how Powley's Liquified Ozone cured him and relieved the chest pains:

"I had a severe cold in my head and pain in my chest, for which I tried several remedies, but could get no relief. was at your warehouse delivering goods, and complained of my condition. I procured a bottle of Ozone from you, and I am pleased to state I am now entirely free from both pain in the chest and cold in the head.

"A number of my friends are using Qzone, and they think it is the best remedy they ever tried. "MATTHEW CLARK, 148 Peter St., Toronto."

This is the time of year when you have to be most careful of the affections of the throat and lungs. You may neglect a cold, and it will develop into consumption. Take it in time with Ozone; make the tissues healthy, feed the blood with oxygen, and you will have none of the ills so common and so fatal at this season. The next time you have a cold take Ozone two or three times in hot water before retiring; it will cure your cold like magic. You can prevent or cure
