Arthur Lynch, formerly of the Transvaal Irish brigade, recently elected to represent Galway in the house, is determined to present himself in parliament. FORCE OF PUBLIC OPINION. The Rev. Mr. Kettlewell is out with a letter in the Christian Guardian in which he protests against a referendum on the prohibition question.

The government has not made any announcement on the subject, and it is not likely to exact, in any act of public opinion, anything which is unreasonable.

Rev. Mr. Kettlewell (Methodist), should possess his soul in patience. He must not anticipate things and come to rash conclusions.
