I fully believe that had it not been for Ozone I would have been in my grave to-day, and to Ozone and Ozone alone I attribute my cure and and I consider it a "God send" to suf

And I make this solemn declaration, conscien tionaly believing it to be true and knowing it is of the same force and effect as if made under oath, and by virtue of the Canada Evidence Act.

Attesting declarations were rejetved from her psband, Joseph Sheffield; her/mother, Eliza-oth Woodruff; her father, W. M. Woodruff; her sister, Ethel May Woodruff a 4d her husband's employer, John R. Dunn. They all declare that Mrs. Sheffield was so ill with or Mrs. Sheffield was so ill with/consumption that they regarded it only the marker of a very short time before she would die. I hey were all greatly astonished at her complete recovery—they would have been delighted with a temporary benefit and they believe Powley's Liquided Ozone to be a most extraordinary preparation. You can write any one of these good people—you will simply confirm what we tell you because these statements are all positive facts.

What Powley's Mquified Ozone Is. Let us tell you what Powley's Liquified Ozone is and what its uses are. You can see by the foregoing case what it does. Ozone is a preparation of oxygen in freed liquid form mon tured only by us, by /a special process red twelve days. It st pplies oxygen to the body-is slood food-creating a healthy condition of all the tissues. Ozcae is a powerful antiseptic as effective and harmless internally as applied externally. It destroys the germs of disease-in that way it is especially valuable in consump as it stops the germ attack, and gives nature a chance to rebuild the broken lung tissues,

How You Can Use It. Ozone, and they each and all pronounced that I Ozone regularly.
