The "Grant Hall" For Queen's. At a meeting of the university couneil yesterday afternoon, the committee appointed to co-operate in the movement to raise the fund to erect "Grant Hall," presented a report which showed that the students had succeeded in their efforts beyond the expectations of many of their friends, and were deserving of warm congratulations on the result of their labors, It appears that already between \$12., 000 and \$13,000 has been subscribed, of which fully two-thirds has been contributed by the students. Correspondence has also been had with a state hospital, in Logansport. He denumber of graduates and friends of the university in the county of Frontenac and elsewhere and satisfactory returns are expected. It was resolved to continue to prosecute the canvass with vigor, and for the purpose of which except for Mr. Harty's subsriphas not really contributed more than a very small amount of the above sum, a strong committee was appointpointed for the purpose of taking steps to obtain county subscriptions and it is expected that at an adjourned 5th, reports will prove that the ef-

CECIL RHODES PURCHASING IT IN THE COLONIES.

To Be Taken To South Africa In Refrigerator Vessels-His Method of Competing With a South African Cold-Storage Concern.

London, Jan. 18 .- It is learned that Cecil Rhodes has secured contracts amounting to several million pounds for supplying South Africa, especially the British troops, in that part of the world, with fresh meat, which will be taken to South Africa in refrigerator vessels from the British colonies and elsewhere. Mr. Rhodes' friends admit that one of his motives for engaging in this business is the sult of long-standing differences be-tween himself and the head of one of the South African cold-storage conceros, which at present practically controls the fresh meat trade of South Africa.

ARRESTED IN BUFFALO.

Thos. McGiverin of Galt, Charged

With Embezzlement. Galt, Ont., Jan. 18.-Thomas M Giverin, arrested in Buffalo, charged with grand larceny, and being held by the Buffalo authorities for extradition to Canada, was, until the latter part of last year, a highly respect-ed resident of Galt. He is a married man, about fifty-five years of age and came from Hamilton to Galt for several years a member of the town council, and has been prominently identified with the Methodist bath school. The discovery was made by the board of the church about three months ago that McGiverin was short in his accounts. Nothing could be elicited from him as to his "true financial position, and an investiga-tion was held, which disclosed a very bad state of affairs, involving a short age of several thousand dollars. Moneys received for the purpose of re-ducing mortgage indebtedness were not so applied, and the fact was concealed by means of forged vouchers. This had been going on for two or three years until dishonored bank cheques became so numerous as to create suspicion, which led to the ex-

In an interer of John Redmond, and said England oppressed the Irish because they were Roman Catholics. Asked for reason as to why so few Irish emi grate to Canada, Mr. Devlin said it was because of the British flag which floated over the dominion and the re luctance of that race to serve under it, because they hated the country it represented. He thought, however, that the appearance of Sir Wilfrig Laurier at the recent banquet to John Redmond, at Ottawa, would lessen that prejudice.
