CORRUPTION AND ROB BERY CHARGES.

Made Against County Councillors -A Warm Discussion-Council Promises Investigation When Specific Charges Are Made.

The feature of Thursday afternoon's re-sion of the county council was little heart to heart talk by J. Wilenct, of Pitesburg, By special mission, Mr. Wilmot stood up before the Frontenac representatives and recalled to their minds that within the past two years charges of corruption and robbery had been made against some of their number. The speaker at first failed to explain the object of his mission. However, a little crossexamination elicited the information that he represented a committee of cighty Frontenac ratepayers, who, having read about the alleged wickedness of the county council, had held finally decided to petition the attor, ney-general. This reply came from the premier, and Mr. Wilmot read it to

There is another little lad of tender years also implicollected only if, at the time prest evidence, cribed by by law, January each year, proper rolls were prepared and a demand made, as in the case of ordinary taxes. To collect rentals from this date onward in respect to entries and one half per cent. and will now to sewers since 1883, it would be no cessary in each year that the city treasurer should prepare rolls based on information supplied by the city engineer, as provided by by-law, and The great and powerful tonic, makes

that the city collector should demand payment of and collect the sum ap pearing on such rolls in the masner as ordinary taxes. In regard to this matter, the cit treasurer reported that rolls were made out for the years 1885-96-87-88 and 97. There are only three arrears now on the rolls for 1900. The collection of an annual rental has not proved satisfactory, and it was sirable that the present system shot be discontinued and the old system

collecting a gross sum reverted to. The aldermen expressed surprise that so little an amount was due to sewer rentals. They had been led to believe that \$4,000 or more was from this one sewer. On motion of Ald. Craig, the mat ter was referred back to the city woll-
