Take a square piece of paper any edge nearest you exactly covers the edge opposite. Upen paper, bring each of the same edges to touch the centre line. You have now divided your paper into four equal oblongs. Turn the paper so that the lines run from front to back. Fold front edge over to the opposite edge making eight divisions. Next let front edges touch centre line. you have now sixteen equal squares. Take scissors and out, at front and back the three dividing lines the length of side of square, that is till you reach the first dividing line running right and left. You have now four loose squares on either sides, which we will call, Nos. 1, 2, 3, 4. Touch No. 2. with a little muscilage, bring No. 3 over No. 2, making one cover the other. Along the loose edge of No. 1 put a little muscilage. Draw No. 4 over to No. I, so that No half covers No. 1. Consumption

A cure that cures Consumption and its many kindred ail-ments is now within the reach of every sufferer. PUL-MO was perfected after many years of study and experimenting by a well-known German scientist, and has effected more cures than any other preparation which has been offered to the public. PUL-MO, while somewhat new in Canada has been and is curing thousands of cases, and we have on gyle many testimonials and kindly letters written us by

grateful people who have been returned to perfect health. PUL-MO is the only absolute cure where there is Consumption, Throat and Lung trouble, Coughs, Colds, La Grippe, Bronchitis, Night Sweats, Chills, Fevers, or any other symptoms which may indicate a tendency toward consumption. PUL-MO has cured theusands of cases which has been treated by physicians without success,

and finally pronounced by them as hopeless. PUL-MO stands alone the use of any other nedicine as an assistant is not necessary. Eat good plain nourishing food, get plenty of fresh air and out-door exercise, and use PUL-MO as irected, that is all-Nature will do the rest
