RAMBLERS WERE SHUT OUT.

THE BICYCLISTS SCORE A BRILLIANT VICTORY.

Teams Leaving To-Morrow To Play At Different Places—McGill And Queen's Play Saturday—Frontenacs Getting Down To Hard Practice.

In the Quigley hockey league series, at the wholehearted winter rink last night, the Bicycle club gave the Ramblers an awful drubbing, scoring nine points and blanketing the Ramblers.

The second half went pretty much as the wholehearted winter rink. The victors played a splendid game, and the Ramblers made their gains on long individual rushes.

Ramblers—Goal, R. Devlin; point, W. Bearance, Capt.; cover, Coxworthy; centres, Hackett, Sergeant; wings, Moncrief, F. Harrick.

Rockwood Always Wins.

Rockwood and Kingston curlers met last night at the rink, playing a Rockwood curling club leads in the Quigley league and in the matches with Kingston for the local tankard.

Berlin still leads in both series of western Ontario hockey leagues. The Senators are but one, and the intermediates all.

George Sullivan, of Kingston, stands forth among the Eastern baseball league pitchers last year, according to the official report.

There is trouble between Columbia and Yale, which is likely to result in the cancelling of the annual football game between these two teams.

To-morrow Queen's II hockey team will leave for Smith's Falls, playing there Friday and at Perth Saturday. They will not return home until Monday.

Wednesday night next the Beechgrove-Frontenac junior hockey aggregate will meet at the rink, playing there Friday and at Perth Saturday. They will not return home until Monday.

Contrary to expectations, Dr. Harty did not turn out with Frontenac last night for practice. The team was given a hard grind and will greatly profit by the practice.

"Chummy" Hill, of Toronto Wellingtons, turned out last night with the Frontenacs, and put in a hard hour's practice. "Chummy" handles a stick beautifully and is speedy on his skates.

Sir Thomas Lipton will accept the committee's invitation to be present at the Olympian games to be held in Chicago in 1904, and if possible, will bring the new American cup challenge to sail on the lakes.

The intercollegiate championship match between Queen's and McGill teams will take place Saturday night at the Kingston rink. Queen's will put on a strong team all the "old heads" turning out to defend the honor.

Monday night the return match between Peterboro and Carleton will be played off at the Kingston rink. If cadets have any sort of luck they ought to win this match, as the Peterboro players will be lost on so large a rink.

Four Kingston hockey teams will leave Kingston to-morrow to go to battle with outside teams. The ladies will go to Belleville, Ramblers to Deseronto, Bicyclists to Napanee and Queen's II to Smith's Falls. Frontenacs will play Cornwall at the Kingston rink.

Willie Harty will not be in the best condition for Friday's match against Cornwall. While at work in the locomotive works yesterday he was struck on the left eye by a piece of steel.

While the injury is not dangerous, it is nevertheless painful. He practised last night with the injured eye bandaged.

The cadets who compose the Kingston Aerial hockey team will assuredly have a hot time in Belleville to-morrow night. The bunch they meet there are called the Scorchers. Fire will flash from the eyes of the Belleville daimlers. Nothing could about them, eh, no!

Last night's game with the Ramblers club's hockey team has won. They have been in hard luck this season, but the tide seems to have turned. They go to Napanee to-morrow night, and if they can defeat the team there, they stand a good chance of landing the cup.

The Frontenacs and Cornwall have agreed to disagree upon a referee for the final game at Kingston and the O.H.A. has been asked to furnish the official. A Toronto man will be sent.

The Montreal Herald comments upon a statement attributed to a Kingstonian: "in a Toronto paper, that it was a good thing the veterans played and at last dropped away from Queen's." It says: "It may be all right, but here is a query some inquisitive person might ask, Where were all the 'comers' when the veterans were so much needed to help the team?"

THE TIDE OF PROSPERITY.

HAS AT LAST SET IN FOR KINGSTON.

Our "Growing Time" Is Here—Evidences Of Increased Industrial Activity—There Are No Idle Mechanics In The City Now.

More than one of Kingston's industries are flourishing. The locomotive works has all it can handle for long months to come. Selby & Youden's foundry has more work than it can turn out.

The Wellington hockey club has suggested February 22nd and March 1st as the dates for the final O.H.A. championship games between the Wellingtons and the winners of the Etobicoke-Cornwall game.

The Keystone hockey team, of Pittsburgh, Pa., is anxious to come over to Canada on a week's tour of western Ontario and asks \$150 a match. The bunch from the "Yankee" army city are really only intermediates, all of them Canadians, who pose before the people of Pittsburgh as the best in the world.

The various professional baseball leagues have agreed to these changes in the playing rules: All short fouls will be strikes; remove penalty on long foul fly; to allow the pitcher not more than one minute to deliver not exceeding five balls to warm up; that the catcher must stand within ten feet of the plate throughout the match.

Building operations in the city this winter have given steady employment to many mechanics, and sometimes in his progress the line of work has been rebuilt, and the three new stores and large hall above were re-erected long before they were completed.

The new art building on Queen's street has been the means of giving employment to scores of workmen for a number of months and of putting large sums of money into circulation.

The old limestone city, which has been marking time for a number of years, is now beginning the march of progress. There is no reason on earth why the city should not go ahead, if the citizens have but faith in her, and show a spirit of appreciation and enterprise.

MANDARIN OF THE PRECIOUS BABY CLASP.

An illustrious Chinese Mandarin was put on the famous American food, Grape-Nuts, and he and his wife cured of stomach and kidney trouble and heart disorder after he, in particular, had been pronounced by his physician incurable.

His letter is written by his interpreter and signed with his Chinese signature. It recites: "For three years I was under the care of the best physicians in Russia, Germany, France, America as well as my own country. I had tried baths and water cures almost without number. I grew worse until finally my physician pronounced me incurable and I was doomed to die in from three to six months."

A friend prevailed upon me to change my food and take up Grape-Nuts. This I did more to gratify my friend than from any benefit I expected, but within 24 hours, the results were so gratifying as to astonish and delight myself and family.

My improvement continued without relapse until at the end of three months I was well and sound, weighed 100 lbs. and was stronger and had a better appetite and more perfect digestion than at any other time in my life.

My wife was also a victim of serious stomach trouble from which she had suffered for several years. She has been restored to good, robust health by the use of Grape-Nuts.

I have recommended it in about half a dozen families, and it has never failed to benefit. I will be pleased to refer to all letters having stamped envelope enclosed." Pak Gow Mun, Mandarin of the Ruby Button, Member of the Literati, Magistrate of the Order of the Manchurian Crane, Order of the Circled Star, and recipient of the Baby Clasp, Servant of His Imperial Majesty the Son of Heaven, etc., etc.

His interpreter and secretary, E. Perceval Baker, adds to the letter, "I am familiar with all the facts related by Prof. Pak, and know them to have been moderately stated. I also, and my family, have received much benefit from the use of Grape-Nuts."

PERSONAL MENTION.

Movements Of The People—What They Are Saying And Doing.

S. A. Stephens, jr., Brockville, was in the city to-day on a business trip. Andrew Robson, the actor, was born in Kingston, Ont., and is a native of Hamilton, Ont.

Mrs. George Findlay, Montreal, is the guest of her sister, Mrs. W. J. Keeley, Union street.

Mr. and Mrs. N. E. Carmichael, Queen street, returned to the city to-day from Richmond Hill, Ont., where they attended the funeral of Mrs. Carmichael's sister, the late Miss Mary Jenkins.

Mr. Daly has arrived in the city from Brockville, and is spending a few days with his mother on University avenue. He will leave to-morrow for Peterboro to take up his new duties as inspector for the Standard life insurance company.

DROPPED DEAD TO-DAY.

John P. Clancy, Harnessmaker, Suddenly Expires.

Sudden and startling is the call that often summons man to his home beyond the skies. Sometimes in his calm, while he is engaged at his daily task, such as the summons that John P. Clancy, harnessmaker, received this morning.

In a small shop on Wellington street, close to Crothers' biscuit factory, he plied his little trade and thereby earned an honest livelihood.

The shop is heated by a small box stove at the rear. Mr. Clancy, who had not been feeling well for several days, came down stairs about 8:30 o'clock this morning to light his fire.

Before he could do so, he was evidently taken ill, as he seems to have endeavored to get up stairs to his room. While only a few steps from the door, he fell. A doctor was at once summoned, but Mr. Clancy expired a few moments after his arrival.

The physician pronounced the cause of death to be heart failure.

The deceased was not very well known in the city, having come here only in November last. He was born in Ottawa, thirty-four years ago, and in that city his parents still live.

Two years ago he was married to Miss Abrams, of Napanee, who survives him. The deceased lived in Ottawa last summer, and formerly conducted a harness shop in Smith's Falls, in the county of Frontenac.

He was a Roman Catholic. Word of his sudden demise was at once sent to Ottawa, and, awaiting instructions from his parents, the funeral has not yet been arranged for. Much sympathy is felt for the bereaved wife.

TO HOLD A FAIR.

The directors of the Kingston agricultural society met last night, mayor Shaw presiding. The question of holding a fair was fully discussed, and it was finally decided to hold one during the coming autumn, the dates will not be made known for the time being.

It was decided to invite the Kingston, Wolfe Island and Storrington township agricultural societies and Kingston horticultural society to affiliate for show purposes and form a fair association. A meeting will be held two weeks hence at which it is hoped to have delegates from these societies. A long and profitable discussion was entered into, but nothing definite resulted.

MUSIC AT THE BARRACKS.

A "musical blizzard" was held in the Salvation army barracks last night. The attendance was large. Ensign Bloss was chairman, and introduced the following programme: Vocal solo, Misses Nellie Pollitt and Mabel Laturney; mouth organ solo, with guitar, bandsman Christmas; selection, string band; reading, Capt. Bloss; clarinet solo, Johnie Watham; selection, brass band; Johnny trombone solo, bandsman Mayell; vocal quartette, bandsman Christmas, Capt. Bloss, Miss K. Allen and Capt. Owens; violin solo, Mrs. R. Downey; selection, string band. The solo by bandsman Mayell was especially well rendered.

ANDREW ROBSON TO-NIGHT.

Andrew Robson, who appears in "Richard Carvel," to-night plays every night to seating capacity. He is established so firmly in the hearts of the theatre-goers in the new romantic character in which he appears that it will take a long run of the play to give the people all they want of it.

Carvel's adventures both as lover and patriot are intensely attractive with emotional and other thrills at every turn of the story and as he is played by Mr. Robson with magnificent expression of all the phases of his charming character it is no wonder that he has achieved this extraordinary popularity.

LIFE WORTH LIVING.

Why not have the free use of your arms and legs. Drive out the rheumatism and feel that life is worth living. William Lee, gardener, No. 292 Frontenac street, Kingston, Ont., and felled for years with rheumatism in the shoulders and arms. Three bottles of Dr. Hall's Rheumatic Cure made a new man of him. This great blood purifier is put up in bottles containing ten days' treatment, 50 cents; at Wade's drug store.

The M. T. company expect to start the building of the forecloses on the two new steel barges this week. Material is being awaited.

Flags on the public buildings are half-masted in memory of the late marquis of Dufferin, at one time governor-general of Canada.

The mail stage from Wilton did not reach the city yesterday, owing to impassable roads in the country. Other stages were very late.

The skating club will meet at the Kingston rink on Tuesday instead of Saturday night. Thursday will be a hand night instead of Tuesday.

One of the Y.M.C.A. members, who accompanied the basket ball team to Watertown a week ago to-day, has not yet returned. His comrades are wondering how long the charm will hold.

The private bill committee of Ontario legislature unanimously struck out the clause giving bonus and track privileges to the town of Toronto Junction, in connection with manufactures.

We have very considerably reduced our stock of hair brushes, the past week, and the public certainly got bargains, 20 per cent. discount for three days more. E. C. Mitchell.

If you are nervous or dyspeptic try Carter's Little Liver Pills. Despairing makes you dyspeptic; either one renders you miserable, and these little pills cure both.

The local coal merchants would be very happy if the post office could deliver a good railway system through their yards so delivery could be effected without having the drivers do the shovelling.

Hugh C. Nickle, superintendent of the street railway system, had a conference with the city engineer this morning with reference to equipping the cars with fenders of a pattern approved by the government.

Extensive repairs and additions are being made to the steamery at Altho. A new wheel house has been added, and additional state rooms are being built. The steamer will be quite comfortable when she makes her appearance next summer.

Only three more days of our 20 per cent. discount sale of hair, tooth and nail brushes, are you not going to take advantage of it? E. C. Mitchell.

The handsome menu cards provided at the annual banquet of the engineering society of Quebec, Tuesday night, and which were so much admired by the guests, were the product of the Whig job room. The cards were unique in design, classic, and made a handsome souvenir to carry away as a memento of the occasion.

Smith's White Lintiment is the most penetrating liniment known, and a positive cure for sprains, swellings, inflammation, neuralgia, rheumatism, and lumbago. In bottles, 25c., at Wade's drug store.

The News enquirer: "Who can guess who the standard bearer for the conservative party in the provincial election will be? That's easy, the man whom the delegates select at the convention, unless, as of yore, one takes the bit in his own mouth and demands that the convention endorse him."

FOR SINGERS AND SPEAKERS.

The New Remedy for Catarrh Is Very Valuable.

A Grand Rapids gentleman who represents a prominent manufacturing concern and travels through central and southern Michigan, relates the following, regarding the new cure.

"After suffering from catarrh of the head, throat and stomach for several years, I tried many Catarrh Tablets, but they did not do me any good. I finally bought a few of the new Catarrh Tablets, and after using them for a few days, I noticed that the medicine acted in a most surprising way, and I was able to get my usual work again."

"The Catarrh Tablets are a most valuable remedy for all cases of Catarrh of the head, throat and stomach, and are sold in all drug stores. They are sold in bottles of 25c. and 50c. at Wade's drug store."

"I have a little son who sings in a boy's choir in one of our prominent churches, and he has a beautiful voice. I have bought a few of the new Catarrh Tablets, and after using them for a few days, I noticed that the medicine acted in a most surprising way, and I was able to get my usual work again."

Examine Them.

The "Coffee-Never-Hurt-Me" People.

Some famous brain workers have made a welcome discovery along the line of recovery of health by the proper selection of food. Several were of the "Coffee-never-hurt-me" kind, but, as an experiment, tried leaving it off ten days, and the use of Postum Cereal Food Coffee in its place. A definite and decided improvement in health is practically certain to attend such a change.

Look carefully into the state of health of the individual who knows that "coffee don't hurt me," and you are almost sure to find some form of physical ail or functional disturbance—perhaps nervous prostration, or weak eyes, indigestion, heart failure, kidney trouble, liver or bowel disorders, or some form of weakness that shows plainly enough by the gray hair.

Why does the dismissal of Coffee and the use of Postum bring relief? Experiments in artificial digestion show clearly to the scientific investigator that coffee arrests digestion, and according to one authority, allows only 61 per cent. of the food to be very digestible to the arch of health. Failure in digestion means lack of good blood, and therefore a lack of food for the nerve centres. As the nerves control the organs of the entire body, one can readily understand that a disorganized nervous system may show effect in any part of the body. Therefore, a removal of the cause will allow recovery to right here.

A powerful assistant to Nature's Postum Cereal Food Coffee, composed of the albumen, phosphates, gluten, etc., from which nature builds in the delicate tissues of the nerve.

Postum also digestion without straining, and furnishes a concentrated liquid food as well as a most delicious morning Coffee.

If the reader has ever failed to make Postum satisfactory, it will be found that to allow it to boil 15 minutes after boiling commences, will solve the problem, as it must be so boiled to extract taste, color and food value. Postum Cereal Co., Ltd., Battle Creek, Mich.

Cleaning The Cellar. Prisoners in the county jail are employed in cleaning out the cellar of the court house, which has not been cleared since the fire which destroyed the building over a quarter of a century ago. The debris from that fire and with the passage of time has accumulated and is being removed. The sanitation of the building will be much improved when the work is completed.

Men Supped Together. The teachers and officers of Sydneyham street Methodist church treated themselves to a tea on Tuesday evening. Fifty-eight men sat down to the table. No woman was permitted to enter the building. The gentlemen furnished their own coffee, catered for themselves, but refused to wash the dishes afterwards.

A Great Bargain For \$1.50. Prevost, Brock street, will offer for sale the greatest bargain in ready-made pants in the city, worth from \$2.50 to \$3.00 a pair, for \$1.50 a pair. These goods are exhibited in his window. First come first served, as he has only a limited quantity.

The board of works was called to meet at four o'clock this afternoon.
