WAR AGAINST UNITED STATES IMPOSSIBLE.

So He Declares—The Big Republic Could Simply Laugh At Her Mighty Rivals—His Idea of Invasions.

New York, Feb. 14.—Andrew Carnegie, the philanthropist, who last night was soundly applauded, when, in the course of an address, he said, with vehemence: "The great navy we are building is perfectly useless. No nation on earth would move against this country even if it declared war against us. It is a great matter for this country to feed the world. Any European country in arms against this country would starve before it got through."

PADEWESKI'S POWER.

Vassar Girls Became Hysterical While He Played.

Poughkeepsie, Feb. 14.—Padeweski has charmed the Vassar girls. He gave a recital in the Gillingwood opera house, and 300 students were fairly wild in their enthusiasm over his playing.

At the close of the recital Padeweski had prepared to leave the theatre, but the plaudits of the Vassar girls, who were so enthusiastic, he again appeared, wearing his overcoat for them.

At the close of the recital Padeweski had prepared to leave the theatre, but the plaudits of the Vassar girls, who were so enthusiastic, he again appeared, wearing his overcoat for them.

DR. TALMAGE ON INSURANCE. Not Providers For Their Families Are Defaulters.

In his sermon on December 1st last, the Rev. Dr. P. D. Talmage referred to the matter of the insurance in this characteristic way: "Young man, get married to a life insurance company of established reputation and get the medical examiner to put the stethoscope to your lungs and his ear close up to your heart, with your vest off, and have signed, sealed, and delivered to you a document which will in the case of your sudden departure, make for that loved wife the difference between a queen and a pauper."

C. M. HAYS.

Sketch Of This Able And Prominent Railway Man.

The strong dominating characteristics of Charles M. Hays, second vice-president and general manager of the Grand Trunk system, are indomitable energy and perseverance, coupled with a temperament which nothing can ruffle or upset.

Mr. Hays took the management of the Grand Trunk in January, 1886, since which time the capital stock has been enhanced in value to the tune of something like \$80,000,000.

Mr. Hays was born at Rock Island, Ill., in 1836, entering railway service in 1873, since which time he has been consecutively in the passenger department of the Atlantic and Pacific, and in the auditor's office.
