Ten Years of Blessed and Glorious Victories.

Paine's Celery The Rev. Dr. S. H. Ford, eartor of Compound

Has Brought Health and New Life to the Sick and Diseased in Every Part of the Civilized World.

For the last ten years the work Paine's Celery Compound has been blessed and cheering one to men and women of every rank in society. no one case has the great medicine failed to benefit, and while it has been used promptly. It has in every

The blessed reachts that spring from the use of Paine's Celery Compound are not confined to this Canada of ours. The great life-giving medicine has been sent to every quarter of the civilized world, and has cured sick, restored the weak and depressed to health and strength, and caused intoxicating liquors during their lives. tens af thousands to live who failed | Rev. Hugh Price Hughes, forced to to find health in worthless prescrip- give up all work on account of ill tions, sarsaparillas, nervines and health, has been greatly benefitted by pills. Paire's Celery Compound has his stay at Bournemouth. It is concured when all other remedies failed. fidently hoped that by next summer It is to this best of all medicines, he will be able to resume his full work Paine's Celery Compound, that we in connection with the West London would direct the attention to every mission. man and woman suffering from weak. Mr. Moody once said a good thought ness, general debility, rheumatism, is worth a journey of a thousand neuralgia, heart trouble, dyspepsia, anemia, blood diseases, liver complaint and kidney trouble. Thousands Here is what drew the prize : "Mer of grateful letters have poured in grumble because God puts thorns or testifying to wonderful and permanent roses. Would it not be better

It is follish and criminal to delay thorns ?" the use of such a disease banisher when others have so clearly demonstrated its value; when many of your moval from the neighborhood of the friends and neighbors have been made | Rev. F. B. Meyer, who is resigning his well by its use. The health-giving pastorate at Christ church, Westminvirtues are so eminently great that ster, to engage in general evangelistic Paine's Celery Compound daily for praising God that I am leaving,

If you are weak physicially, in the grasp of disease, or simply feeling out orial to the late Rev. "Father Pat' of sorts, irritable, sleepless or de Irwin, the pioneer Anglican clergyspondent, try one bottle of Paine's man of that town. "Father Pat" was Celery Compound, and note well the fond of athletics and loved the rude magical effects.

Waggons, Carriages repaired and painted and the place to them done is at LATURNEY'S. where every thing is done under his own supervision.

Scores and hunin the house, and take one whenever symptoms of constipation and kidney derangement make themselves known limbs are the danger signals of kidney

Whatever else you may neglect, do not overlook the importance of keeping the bowels, the kidneys, and liver in healthful, vigorous action. There is no surer way of avoiding serious disease and prolonging life, and the

The Lenten season is with us, and for the next six weeks quietude will reign in the social world. The observance of Lent is indeed deeply rooted in the reverence and piety of the people, and is a custom of many in other churches, besides Anglican and Roman Catholic. The penitential season freshens, uplifts and purifies. It gives many a weary one a rest from the exaction and worry of the social world. The words of Archbishop Bond, Montreal, upon the necessity of withdrawing from . theatricals and frivolous amusements during the Lenten season strike deeply into the soul. His grace

"Do you say you can go often to the theatre and yet feel like praying to God before you sleep? Can you frequent fashionable entertainments, get up from the card table, the supper table, and return from the dance, at two or three in the morning, and address the Almighty sincerely? Can you understand this? Some will say ves, it is possible to do both. With such people I do not argue. I leave the question, to their God and them-
