POWER GIVEN TO A SUB-COM-MITTEE.

Offers Made For the Animals-Alderman Harkness Wants to Purchase the Grey Horses-Will Not Sell Grey Team.

A special meeting of the civic committee on fire and light was held in the city engineer's department Tuesday siternoon. Those attending were Alds. Bell, chairman; McCammon, King, Farrell, Harkness and McFar-

Chairman Bell announced that h found it necessary to call the members together to obtain permission to sell the two horses of the fire department which it had been decided to dispose of; the committee had authorized the purchase of two horses, but had not authorized the sale of any and stabling accommodation was not tainable until some of the animals were disposed of, he asked that necessary authority be given to the two horses recommended to be disposed of. The sub-committee having the matter in hand had been approach-

Ald. King thought it would not promised to allow "Bob" to remain the local association's team. team of greys, 840 for the "Tom" Duquesne Garden by skating the have the figure raised, but did not Davidson in a two-mile race.

## THE HISTORICAL

DR. B. T. WALKEM, K.C., WAS ELECTED PRESIDENT.

Sorry That the Public Did Not Appreciate The Society-The Papers Offered Were of Great

The historical society met last night at St. George's hall. Election of officers for the ensuing year had been deferred for some time, for various reasons, but were proceeded with at this meeting. Dr. R. T. Walkem, K. C. was chosen president; James McArthur, first vice-president; Miss Gildersleeve, second vice-president; Miss White, secretary treasurer. The latter was re-elected, and mention made o her efficient services to the society. Dr. Walkem took the chair, vacated by Rev. C. E. Cartwright, who, as president during the past year, and as a member of the society since its is

favorably spoken of as a candidate for auguration, has been faithful and diligent. The president-elect said he was sorry that the people did not appreciate the society and its work more. It they understood its aims, he was sure there would be a larger attendance at the meetings. Something should be done to induce those historically inclined to join the little band that meets monthly. The papers contribu-ted during the years of the society's existence were of great historical value. Dr. Walkem promised to do his best to promote the welfare and

Mr. McArthur was to have read a Canadian cities and towns, but not only on the ford cates. They supply what being prepared. Rev. Prof. Ferguson weak stomachs lack, pepsin diastese, and by being prepared, Rev. Prof. Ferguson gave a paper on the history of the Guelph family.

The next three papers will be read by James McArthur, Joseph George and Prof. Shortt, Mr. George

Frontenac Ward Conservatives. At last night's meeting of Frontenac ward conservatives the following officers were elected; Chairman of the ward, alderman R. N. F. McFarlane; sub-chairman, John Sowards, chairmen of ward divisions, No. 1 H. Hunter; No. 12, D. A. Shaw; No. 13. M. Purtell; No. 14, alderman Jose eph Tait. The chairman, with the following ten delegates, are entitled to attend the convention which is to select a candidate : Alderman Tait, H. Hunter, D. A. Shaw, William Dean, Capt. Charles Martin, James Gowdy, John Laira, M. Dolan, John Watson

and James Kane. At a meeting last evening of conservatives of Portsmouth, Thomasel Scally was appointed chairman, and Messrs. E. Mooney, W. Donaldson and J. A. Matthewson delegates to a convention to select a candidate.

What Dr. Knight Reports.

Professor Knight, Queen's university, has been making experimenta recently to determine the effects on fish of sawdust and other industrial water pollutions. He found that trout could live very comfortably in a tank where a pailful of sawdust was kept constantly stirred up. He concludes that sawdust is not dangerous. His contention is disputed and his plan shown to be faulty. It is the rotting of sawdust and the gas germinated that does damage. The report deals with sardines. There are those who think that "best imported sardines, in pure olive oil," at hargain sale ary copy of the Reviews of Reviews prices, come from France or Italy. of the Y.M.C.A.
