

MISS LAURA HOWARD, WIELDS A VERY HEAVY AXE

President South End Ladies' Golf Club, Chicago, Cured by Lydia E. Pinkham's Vegetable Compound After the Best Doctors Had Failed To Help Her.

MISS LAURA HOWARD, CHICAGO.

"DEAR MRS. PINKHAM:—I can thank you for perfect health to-day. Life looked so dark to me a year or two ago. I had constant pains, my limbs swelled, I had dizzy spells, and never knew one day how I would feel the next. I was nervous and had no appetite, neither could I sleep soundly..."

Once Considered a Luxury, Now Almost a Necessity.

"The private car," said a railway man, is the best evidence in the world of the continued evolution of the business man.

WARM IN HER COFFIN.

Young Woman Who Died, Apparently, Remains Unburied.

Epping, N.H., Feb. 19.—Although Miss Lena Thompson, twenty-one years old, apparently died on January 21st, and funeral services were held three days later, the body remains warm and no undertaker will bury it for fear that she is still alive.

A REGRETTED DEATH.

A Nun Who Was Very Clever—Funeral To-Day.

The funeral took place this morning of sister Mary Patrick (Mary Agnes Donovan), who died at the house of Providence on Monday at the early age of thirty-one years.

Steel Manufacture Begun.

Sault Ste. Marie, Ont., Feb. 19.—The first stage in the manufacture of steel rails was reached at the Algoma steel company's works yesterday when for the first time in Algoma, steel was manufactured by the Bessemer process.

No Smallpox There.

Southampton, Ont., Feb. 19.—There is absolutely no truth in the report of small-pox at this place. Dr. Cawthorne, specialist, sent up by Dr. Bryce, of the provincial health board, to investigate, was here yesterday and reports the supposed cases at Chipewah Hill, three miles from here, are not small-pox. Southampton is clear of the disease.

Purchased The Plant.

Victoria, B.C., Feb. 19.—The pyritic smelter at Greenwood has been purchased by the Montreal and Boston company, owner of the best mine near Greenwood. The plant, capacity 230 tons daily, will be remodelled and another furnace added.

No Special Calls.

London, Feb. 19.—A Rome despatch to the Evening News says Dr. Lapponi, the pope's physician, stated yesterday that he had not received any special calls to the vatican recently. He visited his holiness on alternate days.

WHAT SOLDIERS USE IN AFRICA.

H. B. Mollett, of Imperial Volunteers, writes to the "South London Free Press": "We had some Kelpion placed in our boots leaving England. It is a mild stuff, we use it for every wound or disease, in fact for everything and the doctors and men simply swear by it."

73 Theobalds Road, London, W.C.

I had a most irritating rash on my body and could get no rest, but after using Kelpion capsules for one week it was completely cured. Kate Searle.

AT 11, AUGUST, 25.

DR. JAMESON WOULD CUT DOWN LEGISLATORS.

Sixty Enough—House Spends a Busy Day on Estimates—The Prohibition Bill.

Toronto, Feb. 19.—The feature of yesterday's session of the legislature was the introduction of a bill by Dr. Jameson, South Grey, to reduce the membership of the house from ninety-four to sixty.

PRIVATE CARS.

"The private car," said a railway man, is the best evidence in the world of the continued evolution of the business man.

WIT OF ARCHBISHOP IRELAND.

How He Sized-Up Nationality of Railway Crew.

Archbishop Ireland, who travels alone a great deal, takes much pleasure in becoming acquainted with the nationalities of the railway crew.

Got The Door Open.

The Toronto expert working on the bulky lock of the vault in the bank of British North America, managed to get the door open about half-past four o'clock yesterday afternoon.

Ira D. Sankey Escaped.

Detroit, Feb. 19.—Ira D. Sankey, the evangelist, was an inmate of the Kellogg institution, burned yesterday, but escaped by climbing down a fire escape.

To Assist The Unemployed.

Stockholm, Feb. 19.—With the object of diminishing the number of unemployed in Sweden the government has empowered the state railways to place large orders with Swedish workshops, subject to the consent of parliament.

To Push Works Ahead.

Montreal, Feb. 19.—The Canadian Pacific is to proceed at once with the arrangements for the big works which are to be carried out by the United States.

Commander Booth-Tucker.

The commander Booth-Tucker, of the Salvation army, has taken the oath of allegiance as a citizen of the United States.

No, Maude, dear.

No, Maude, dear, a bucket shop is not a place where stocks are watered.

An instructor in physical culture.

An instructor in physical culture advertises fall styles in wrestling. The up-to-date girl proposes without letting the fellow know it.

Even in winter a locomotive can't run unless it is coaled.

Flowers of the Frost.

All Nature Revels In The Glorious Scene.

In a recent article in this series reference was made to the extreme beauty and loveliness of the areas of the forest after a heavy hoar frost had clothed their sprays and branches in a pure white vestal garb of crystal.

TO CREATE A NATIVE ARMY IN THE VARIOUS AFRICAN PROTECTORATES.

A Brigadier-General Who Will Spend Time Each Year in London Advising the Foreign Secretary.

The British government has decided to create a native army in the various protectorates on the eastern coast of Africa, Somaliland, East Africa, Uganda and Central Africa.

The King On A Visit.

London, Feb. 19.—On Saturday next King Edward will visit Burton-on-Trent, where he will be a guest of Lord Burton, the well-known brewer.

To Rear A Monument.

Windsor, Ont., Feb. 19.—In memory of those who fell in conflict in South Africa, in the Boer war, the returned Windsor soldiers have determined to erect a suitable memorial and are appealing to the citizens for funds.

BRILLIANT BRITISH SCHOOL BOYS.

The Westminster Gazette declares that a correspondent who offered prizes in different schools for essays on kindness to animals sent us a few extracts from the papers received.

Germany In China.

Berlin, Feb. 19.—At a meeting of the budget committee of the reichstag, the government demanded provision for the maintenance of the German regiment at Shanghai, asserting that its presence there was necessary in order to adequately support German interests in China.

Was A Fire Sufferer.

Among those who suffered severely in the recent Paterson, N.J., fire, was J. A. Craig, dentist, brother of alderman W. G. Craig and R. J. Craig, of this city.

Rev. Louis H. Jordan, B.D.

Rev. Louis H. Jordan, B.D., for a number of years pastor of St. James' Square Presbyterian church, Toronto, has accepted the position of special lecturer in comparative religion in the university of Chicago.

Small-pox raging in the parish of St. Paul.

Small-pox is raging in the parish of St. Paul, Port Joli, county of L'Isle. The church and the schools have had to be shut down for some time.

The engagement is announced in Hamilton of Miss Edith Levering.

The engagement is announced in Hamilton of Miss Edith Levering, second daughter of Mrs. W. J. Levering, to W. G. Angus, formerly of Montreal, and now of Hamilton.

The K. & P. railway train was yesterday late this morning.

The K. & P. railway train was yesterday late this morning, being delayed at Harrowsmith on account of blocked tracks. The snow drifted considerably during the night.

James Brown, a farmer of Tiny township, Ontario.

James Brown, a farmer of Tiny township, Ontario, is asking for a divorce from his wife, Abigail, now a resident in Toronto, on statutory grounds.

The average woman may have some difficulty in understanding a time table.

The average woman may have some difficulty in understanding a time table, but she can generally manage a train.

New spring suits for boys, ten to fifteen years.
