His Death is Sincerely Deplored-He Had Been a Councillor For Some Years-Active in The Township.

Ex-county councillor George Wright, appointed caretaker of the county court house at the recent session. the county council, died in the general hospital on Thursday night of pneumonia. He was taken ill on the lith inst., and two or three days ago was removed to the general hospital

THE LATE GEORGE WRIGHT. for treatment. Of a vigorous constitution, he fought the fell disease bravely, but was unable to shake it off and Thursday night yielded up his spirit. The deceased was one of Frontenacs best known farmers. A native of the county, he took a deep interest in its prosperity and was a strong supporter of any movement having for its purpose the upbuilding and advancement of Frontenac. His farm in Kingston township, near Cataraqui, was a model one in every way. was a painstaking, scientific farmer who aimed to secure the very best results from his farm. He entered the county council in 1893 and took prominent part in all the measures brought before that body, taking fearless stand for what he considered was right an all questions. He was different times chairman of all committees of the council, and he had the confidence and good will of his

At the last session of the council he re igned his seat to accept the position of caretaker of the county court future. Each person who comes will house, a position he was to take over the asked to bring a book for the ason March 1st. The deceased was age | sociation's new library. Aged Gananoquean Dead. On Wednesday, William S. McDonald,

an aged resident of Gananoque, died In the register of baptisms, marriages and deaths solemnized by Rev. liam Smart is an entry of his baptism by Mr. Smart on January 21st, 1813. His father, Charles McDonald built the blockhouses at Gananoque and on Chimney island, a few miles west Brockville. William S. McDonald was educated at Upper Canada college, Torouto. He resided for a time in the western states, but for many years past his home has been at Blink Bonny, in Gananoque. Five children survive, among them being Charles Mc-Donald, LL.D., New York, a distinguished civil engineer, who built many large bridges in the United States and Australia. The deceased gentleman was probably the oldest resident of

Brockville Curlers Won Two rinks of Brockville curlers played at the Kingston rink last night, and succeeded in defeating two of Kingston's rinks by two shots. The match was very exciting, and at close depended upon a shot which would have given Kingston the victory by one shot, but the local skip failed to make it successfully. Brockville No. 1 .- J. #### VALUE OF WARM BREAKFAS BEVERAGE.

Explanation By Physician. The high grade physician always

stands ready to guide one's habits and prevent disease, even if by that means, he loses many a fee. Food and drink are important factors relating to health.

Dr. Wm. R. Blackwood, 852 N. 23rd St., Philadelphia, Pa., writes on the subject and remarks about the need of some warm drink for breakfast but deprecates the use of coffee because its effect on the health. He refers the fact that the heat of a warm breakfast beverage is simportant causing the necessary alvine evacuation which should invariably follow breakfast.

"Personally, I had been quite nerv ous from overwork for a time and neither coffee nor tea seemed to agree with me, consequently I looked around for some other pleasant breakfast beverage, for a long time without success, until I got hold of the article under consideration (Postum).

This proved pleasing to the taste and was also very strengthening. Its flavor is so nearly that of a really place after beginning its habitual use. word 'habitual,' for if you desire to have all of the benefits centered in this article you must stick to it right along. I have proved to my own satisfaction that Postum is all right it persevered in.

tients have taken up Postum and after a first trial abandoned its use, then some have afterward formed the habit of drinking it when shown how really simple the preparation is which reog nutritive elements."

The Doctor mentions, in confidence two cases of severe prostration from alcholism which were ultimately cured and the patients restored to health his treatment and taking away all whiskey, coffee and ten and riving them in place Postum Food

The Doctor concludes his letter with this statement, "Believing that a letter from a physician, who has studied nieteties many years in different climates and among different races. would be of some value, I write to do what I can to further the use of this ed its street car system from a private efficient product, which surely must be company for the purpose of converting of great advantage to invalins as well it from horse power to the electric as to the general community."
