In Brooklyn. New York, March 6.- The staff of the

Methodist Episcopal hospital, Brook lyn, will soon operate on Miss Resa Lee, of Hancock, Delaware county, who was brought to New York after she had swallowed, by accident, a hat pin. two and a half inches long.

Though the pin has been in stomach for more than a week, Miss She has had to be fed on liquid foods, however.

The location of the pin was discovered yesterday with X-rays. It is ly ing on the right side of the stomach

Prince Henry At Harvard. Cambringe, Mass., March 6 .- Prince Henry spent the afternoon at Harvard university, noting all that he saw with a keen- eye and expressing surprise and astonishment at the size and completeness of the institution. The prince was heartily received the faculty and students of the uni versity. The visitors arrived under escort from Boston at half-past one, and were received in Memorial hall by president Eliot. After the greetings had been exchanged all proceeded to the faculty room, where, after the professors and officers had been presented, luncheon was served. The meal prevalent among the Germans of collegiate and imperial dignity, and Pilot Butte, a settlement about eight when it was finished all repaired to the Harvard union building, where with a reception to the Germanic student association at the home of Prof.

Held At Pembroke.

Pembroke; Ont., March 6.-Eighteen men are detained in quarantine in a vacant house here, a telegram having a sample. been received to watch the Winnipeg going east for suspects. The facts of the case seem to be that these men came from the lumber camps and were detained at Des Joachims. They secured medical certificates of good health and freedom from small-pox by showing that they had already been quarantined. One of their number. who had a well-marked case of smallpox, was not seen until the train started. He was detained at Des Joachims and the remaining eighteen are to be quarantined here for eleven days. One of the provincial health officers is in charge.

Situation In Servia. Vienua, March 6 .- A dispatch from Beigrade says that extraordinary precautions were taken to prevent dis turbances to-day, which was the thirteenth anniversary of king Alexander's accession to the throne. According to recent advices from the Servian capital the situation there is des cribed as that of a volcano, likely to burst forth at any moment in an uprising that will sweep the throne and all the friends and supporters of the present regime out of existence. King Alexander, almost if not quite an imbecile, is said to be virtually a prisoner in the royal palace, while politicians of all factions are scheming in regards to the occupant of the throne after his downfall,

American To Wed Prince.

Paris, March 6 .- A rumor is current here to the effect that Miss Helena Gorham Wilde, an American, who has made her home in Paris for a long time, will shortly marry prince Eugene of Sweden, if he can gain the consent of his father, and arrange to resign his right of succession to the throne of the Bernadottes, as his brother Oscar did some years ago, when he made a morgantic alliance by espousing Miss Ebba Monek-a marriage which created considerable of a stir at the time. Prince Eugene is a painter of some note who has lived in the Latin quarter for many years. Miss Wilde is both pretty and wealthy.

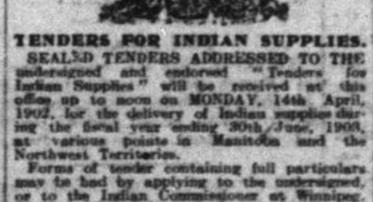

Boston Welcomes The Prince. Boston, Mass., March 6.-Prince Heary's reception in Boston to-day was a repetition of the hearty wel come he has encountered everywhere since his arrival in the United States. The special train reached the city on schedule time, arriving at the Back Bay station shortly after ten o'clock Since an early hour in the morning crowds had been congregating in the vicinity and it was with the utmost difficulty that the police, aided by equads of infantry and marines, were able to keep the people in check. The prince was officially greeted by mayor Colline and William T. Reincke, the
