

**PRAISED BY A FAMILY.**

Father, Mother and Little Daughter Cured by the Great Blood Food, Powley's Liquidized Ozone.

Having heard of Powley's Liquidized Ozone in June last, grasped at it as a last hope. She was overcome with disease, and after using fourteen I am quite free from my disease. I go through the ordinary routine of duty without fatigue, ease, and enjoy the blessing of rest at night.

My little one also, who was four years old and had never been able to walk, has

and have moved into the house with Rev. T. C. Brown.

**Broke Through The Ice.**

Ivy Lee, March 11.—A team belonging to Thomas Shipman broke through the ice near Ultima island while drawing an ice house on a sleigh. The accident was seen by several persons having wood to town who forthwith lent assistance. The animals were in the water about three-quarters of an hour. The men wrought with a will and saved and broke ice for a number of rods distance. There is quite a current at that particular place, so that it is stated that not even a person could ever hope to get to that route before. Thomas Shipman is preparing to freshen his team for summer. He succeeded in getting his team home and the sleigh safely landed the morning after the mishap.

The child began talking at the age of three weeks. Its first attempt was made on February 20th. Its words were clear and incisive, and it has kept repeating them at irregular intervals during wakefulness every since. They are: "Six years of famine in Kansas."

The sentence is taken by many to be a message from the Deity, to be disregarded by hearers at their peril.

Already, however, signs of famine spread here because of what are believed to be the prophetic inspired words of a five weeks' old infant.
