MOVED FOR REDUCTION OF SECRETARY'S SALARY.

The Motion Rejected-Accused Wyndham of Engineering Conspiracy to Misrepresent Ireland's Condition.

London, March 14 .- During the bute on the civil service estimates the house of commons yesterday, John Redmond, the Irish leader, moved reduction of the salary of the chie secretary for Ireland (George Wynd ham), and proceeded to incisively criticize Mr. Wyndham's policy, asserting that the latter was engineering a conspiracy to misrepresent the condition of the country, in order to give a colorable excuse for coercion.

Mr. Wyndham, in replying, said that already a great many illegal acts had been perpetrated in Ireland. He wished \$100,000. it to be understood that he, both pecsonally and officially, was responsible for whatever repressive steps were Toronto. on appeal by plaintiff from order of Meredith, C.J., upon appeals by plaintiff and also defendant from a report of the master at Napance upon a re ference directed by the supreme court of Canada to take partnership accounts between the parties from and inclusive of the 1st day of January, 1882, to the dissolution of the partnership, and including in such account all the rights and liabilities, assets and reflects belonging to the partnership as they existed on the 1st day of January, 1882, and the dealings with such property since the dissolution. The judgment of the supreme court recited and confirmed a settlement arrived at on February 4th, 1882. It was contended, inter alia, for plaintiff, that pursuant to the judgment the report should have allowed as an asset of the partnership on January 1st, 1882, a sum of 84, 751, the amount of sundry private accounts of defendant, for which he had, it is alleged, given partnership goods in payment and not been charged with their price, and also a sum of \$2,063,03 credited as paid by defendant for partnership debts, but paid for, it is alleged, by activery of partnership goods, not charged to him, and that both these sums could be properly taken into account without disturbing the figures of matters agreed upon by the settlement of February 1st, 1882, and also that the master's finding that defendant had at the time of the settlement \$4,000 worth of unpaid promissory notes in his hands and unaccounted for, and which the chief justice reduced by \$3, 000, should not be disturbed. German Syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, coids and all lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasthe tendency of our public morals, if ing sale every season confirms. Two a trainer of a pugilistic ring were to million bottles sold annually. Boschee's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in
