THE FUNERAL OF THE LATE MRS. ROSS.

It Was Held This Afternoon-An Impressive, But Simple Service -The Legislators Were Present

and Went to the Cemetery. Toronto, March 14 .- The funeral of toe late Mrs. G. W. Ross, this afternoon, was impressive in its simplicity. Beams are in moderate demand in Toronto, The drawing room, in which the reand steady at \$1.40 to \$1.50 for hand mains lay and in which the service was held, was filled with floral tributes from colleagues of Mr. Ross and from friends of Mrs. Ross, in all parts of Canada and also from many public bodies. Among them the Sons of 'emperance, with which Mr. and Mrs. Ross have been long associated.

> The service was that of the Presbyterian church, and was conducted by Rev. Dr. Milligan, of old St. Andrew's church, the premier's pastor. Dr. Milligan, in a short address, spoke of the great part Mrs. Ross had taken in the life work of the premier; so marked had it been, he said, that like a city on a hill it could not be hid. Mrs Ross had been a member of his conregation in his first charge, over thirty years ago, and in her life there was that natural kindliness of nature, mingled with dignity, that had made came into contact.

> pearers were the six colleagues of Mr. Ross in the government. The house having adjourned, the members of the legislature, liberal and conservative, were present in a body to show their sympathy and respect.

Going For His Health.

London, March 14.-The report that ord Wolseley will sail for the Cape, to morrow, is confirmed in official circles here. It is stated that Wolseley is simply goinb for his health, though it is believed he will make a confidential report as to conditions on the South African field, when he returns. There is not the slightest possibility that Wolseley will supersede lord Kitthener in command of the South African forces. He is too old for such luty. His departure, however, indicates that the confidence which-the cabinet had in the war's alleged progress has been much shaken.

PAYS RESPECTS TO OFFICERS OF PERMANENT CORPS.

Dr. Brodick's Measure for Establishment of Medical School Receives Second Reading-Coal Oil Question Discussed. Ottawa, March 14 .- There was but

little business accomplished in the house yesterday, but there was plenty of interesting discussion, and once it became so warm that the deputy speaker had to interfere. Dr. Roddick's bill for the establish

ment of a medical council in Canada was given a second reading. The member for St. Antoine explained that the principal objects of the bill were to establish a uniform qualification for medical men in this country and to place them on an equal footing with the British medical men. There was some debate before the se cond reading was given. When the house went into committee
