New York, March 14 .- "The tailor who spends his life in taking human measurements could probably tell an interesting story about the decline of men and women," said a man who takes a deep interest in physical culture and other processes tending to arrest deteriorating conditions. doubt if the measurements taken by tailors will show many perfect men and women. Too many men are wearing 14 collars and too many women few days ago, and I was struck by the dimensions agreed upon by the best and most authentic authorities for physical perfection in both man and woman. Take the measurements of for instance of the perfectly proportioned man, with a height of 6 feet 24 inches: girth of chest, 46 inches; girth of waist, 38 inches; length of upper 144 inches; largest girth of thigh, 22 inches; girth of calf, 16 inches; length of arm, 26 inches, and weight 190 pounds. Go to the tailor and ask him how many men come up to this standard. I imagine that one would spend much time before finding the perfect physical conditions in conjunction in

# AIDS DIGESTION

Thousands of people are actually starving, not for want of food, but because they cannot digest and assimilate the food they eat, therefore, they derive no nourishment from it. Angier's Petroleum Emulsion helps digest and assimilate wholesome food, cleanses the stomach and bowels, and puts the digestive organs in a condition to perform their functions naturally. It tones up and invigorates the entire system, and a gain in weight, strength and color is a quick result.

COUGH CURED, DIGESTION HELPED :- I have had a bad cough for nearly two years, and everything I took did it no good until I tried your Petroleum Emulsion, which has almost cured me. It is very pleasant to take and I find it aids diges-tion. I feel much better in every way since taking your cele-brated Emulsion, F. FLETCHER, Humber Bay, Ont.
