A Cause of Headache Church Should Take Hold O Billiards.

The Blacksmith, in Guelph Mercury. When judge Price advocated having a smoking-room and a billiard-room in the basement of Sydenham street Methodist church, Kingston, there came, as might be expected, "a low murmur, born of astonishment from some of the older members of church." Yet, when you come to think it over, there is something in the judge's suggestion. I won't say much about having a "smokingscientiously of the opinion that it is physically injurious, and you cannot reasonably expect a man to encourage that which he thinks is at least physically, if not morally, injurious, But the objection to billiards is simply born of a narrow-minded prejudice. The game is a good one. It is one that requires a good eye, a steady hand and a scientific knowledge of angles. It has been depreciated by its past association with bad company, but the game is a good one in itself. and being a good game, the church might lend a hand in bringing it into good company, which is its proper place. Omega Oil

You needn't be afraid to rub Omega Oil on a child's throat or chest for sore throat or cold in the chest. It's the best thing you ever saw for children. It does them just as much good as it does big folks, and it won't burn or blister the most tender skin. Omega Oil is nice to use, too. It has a sparkling green color, and its smell is just as pleasant as can be. You must try Omega Oil itself to find out how good it & is. You cannot judge it by other liniments. Rub in a little of it wherever there is an ache or pain, and the hurting will stop then and there. You may doubt this BEFORE you try it, but you / won't doubt it AFTER you try it. Buy a bottle now, and see how much suffering it will banish. A single bottle will go around the family several times.
