## HER HUSBAND WAS A DRUNKARD

A Lady Who Cares Her Husband of His Drinking Habits Writes of Her Struggle to Save Her Home.

### A PATHETIC LETTER.

"I had for a long time been thinking of trying the Eucalypti Balm Prescription treatment on my husband for his drinking habits, but I was afraid he would discover that I was giving him medicine, and the thought unnerved me. I hesitated for nearly a week, but one day when he came home very much intoxicated and his work nearly all spent, I threw off all fear and determined to make an effort to save our home from the ruin I saw coming at all hazards. I sent for your Eucalypti Balm Prescription, and put it in his coffee as directed next morning and watched and prayed for the result. At noon I gave him more and also a supper. He never suspected a thing, and then he boldly kept right on giving it regularly, as I had discovered something that set every nerve in my body tingling with hope and happiness, and I could see a bright future ahead of me. I had a successful, happy home, a share in the good things of life, an attentive loving husband, comfort and everything else dear to a woman's heart; for my husband had told me that whiskey was the stuff and he was taking a dislike to it. It was only too true for before I had given him the full course he had stopped drinking altogether, but I kept giving him the medicine till it was gone, and then sent for another lot, to have on hand if he should relapse, as he had done from promises before. He never has and I am writing you this letter to tell you how thankful I am. I honestly believe it will cure the worst cases."

## FRENCH EASTER OENES. READING FUTURE IN FLOWERS, EGGS AND WATER.

An Old French Seeress Vouches For The Infallibility of Each Of The Following Things. Karma; in Fitchers' Domesch. If people want to try their fortunes on Easter morning, the following superstitions are gleaned from an old French seeress, who vouches for the infallibility of each: The most powerful cosmetic and love potion, she asserts, is Easter water, and while to procure it requires a great amount of courage, yet if the love that is to live always is only to be secured in that way we give the young people a chance by unfolding these mysteries. Easter water is the water that is taken from the river on Easter morning before the sun has risen. The person wishing to test its efficacy must rise while it is quite dark, walk to the river, fill her vial or pitcher and return home in perfect silence and without looking back even once. She may then return to bed and finish the interrupted nap. The water thus obtained, so runs the legend, will keep sweet throughout the year and is considered invaluable as a remedy for diseases of the eye. Bathe your face with it every day, and you will never have wrinkles. The dew gathered at sunrise from crocuses is also a preventive against wrinkles. If you stand silent alone and watch the sun rise, fixing your eyes on the radiance until dazzled to the rest, and then let imagination do the rest, and you will see the face of your future husband. Yellow garters worn on Easter day every woman knows bring luck, and the maiden must get up at midnight and put them on; then she must go back to bed, and she will dream of her future husband. A widow must put a purple and a yellow pany on with hers to dream significantly, and the worn ladies either separated or divorced may wear purple garters with yellow panyes. If she dreams of her former husband, they will be reunited and live happily, but if she dreams of another she will very likely marry again. If a small spider is found at this time near you on Easter day, it will bring you luck and money the rest of the year. If you shed tears on that day, it foretells misfortunes and unhappiness of all kinds. A present on Easter is a good omen. Always wear something new—a dress or a bonnet, if procurable; if not some article worn next to the person. To prepare a love potion gather in silence while the full moon is in the heavens three white rose leaves, three red rose leaves, three forget-me-nots and five blossoms of crocuses. Place them in a vessel and drop upon them 300 drops of Easter water. Place the vessel over a fire or spirit lamp and boil exactly the sixteenth part of an hour, then remove and pour into a vial, corking it tight. It will keep for years without losing its power. Three drops swallowed by the person whose love you desire will make him your slave. Eat an apple on Easter morning as soon as you awaken and repeat all the while: "As Eve in her thirst for knowledge, ate the apple, that I know you are true, but eat the seeds, and if they are of even numbers your sweetheart will prove true; if uneven he will prove false." Another test: Break an egg at midnight, carefully separating the yolk and white; pour the white into a cup and let it set until you rise in the morning. The particles will separate; examine them well, and if any letter has formed it will be the initial of your future husband's name. Now, girls, this is all that I could find out; only don't wear any flowers on Easter except jockeis and violets. Widows must wear violets all ways, but every young woman some spray of green no matter how tiny.

**I Love You.**  
She climbed upon my willing knee,  
And softly whispered into mine,  
"I love you."  
Her sunny curls were in my face;  
And in her tender eyes I saw,  
The soul of innocence and grace.  
And like a sunset glow, throughout  
Her smile lit up my heart,  
And back the shadows all departed.  
O, moments of sympathy,  
Which I will never ever give,  
That ever will be missed away from me,  
Come bring back such moments to me,  
I would you could take them and stay  
Within my lonely heart always.

**W. J. Tolley, Footman, 118 Crawford St., Toronto, Says:**  
I was thrown from my bicycle and sustained some serious injury to my arm. The doctor who attended me at first thought my arm was broken. He bound it up carefully, told me it was very badly sprained, and that I would probably not be able to use it for a month. During that night I suffered agonizing pain and the next day another postman had to take my route. I was then recommended to try Kelpin. I bathed my arm in hot water and my wife rubbed it for half an hour with Kelpin. Within an hour of the rubbing I was delighted to find that the intense pain had nearly ceased. The following morning it was again rubbed with a liberal supply of Kelpin and I found I could use my fingers slightly. I kept on rubbing Kelpin in freely and by the third day my arm was as well and painless as it had ever been. I now swear by Kelpin and I recommend it as the most beneficial ointment for general household use I ever knew of. Take my advice and keep a bottle in your house always. It is the best remedy I ever tried.

**AGED DOG COMMITS SUICIDE.**  
Heart Broken By His Master's Orders. "There's old Tige; he's fifteen years old, really blind, and a nuisance," said the proprietor of the hotel at Alford, Pa., the other day. "I haven't the heart to kill him, but if some fellow will shoot him and bury him up on the hill, I will give him a dollar." A bar room lounge immediately accepted the offer, and left for his home to get a gun. Old Tige arose from the floor near the stove, gave a pitiful whine, and went out of doors. In half an hour the man returned with a gun, but the dog was nowhere to be found. A persistent search all the afternoon failed to reveal his presence, and the bar room crowd gave up the chase at nightfall. Next morning the milkman discovered the mangled body of old Tige on the railroad tracks. He had committed suicide to escape being shot to death.

# BRONCHIAL ASTHMA THE BEST REMEDY

Asthma is a peculiar disease, and what will relieve one case will sometimes fail in another. Angier's Petroleum Emulsion will nearly always afford relief, especially in cases complicated with Bronchitis. The Emulsion soothes the cough and makes the breathing easier, dispels the bronchial irritation and greatly improves all the catarrhal symptoms. In Chronic Asthma it is very effective in allaying all the more distressing symptoms, while after an acute attack it is of great benefit in restoring strength and vigor to the exhausted system.

is soothing, healing, strengthening, and contains no opiate or other harmful drug. It is pleasant to take, agrees with the weakest stomach, promotes a healthy appetite, helps digest and assimilate healthy food, and builds up the health and strength generally. Persons who cannot take cod liver oil in any form become fond of Angier's Petroleum Emulsion, and this makes it especially valuable as a children's medicine. Remember this is not a patent medicine. Doctors have been prescribing it continuously since 1880, and it is largely used in the leading hospitals everywhere.

**MISS FLORENCE DEWSON, WINDSOR, ONTARIO, SAYS:**—I take pleasure in writing you what I think about Angier's Petroleum Emulsion. This winter I had the La Grippe, and was very much run down. My physician ordered me cod liver oil, but my stomach was too weak to take it, and at this time a sample of Angier's Emulsion was handed to me. I agreed with me so well that I commenced on it and am still taking it. I told my physician about it, and as he had just recovered from La Grippe he took it, and was so much pleased with it that he has been prescribing it for all his patients who are in need of same. Persons who have weak stomachs and can't take strong emulsion should take no other than Angier's Petroleum Emulsion.

**ASTHMA AND BRONCHITIS:**—I received a bottle of Angier's Petroleum Emulsion in good order, and was highly satisfied with it. I find a great deal of relief from it, as I have been suffering with Asthma and Bronchitis for the last ten years. I have been treated by many doctors, but have found more relief from a bottle of Angier's Emulsion than anything I have taken. I have recommended it to all sufferers from the same complaint. Please send me a 25-cent bottle, for which I enclose P. O. and oblige. Mrs. E. HOOPER, 59 Worcester St., Brynmawr, Beaconsfield, England.

**SOOTHING AND STRENGTHENING EFFECT:**—I found Angier's Petroleum Emulsion so helpful among my patients that there was a constant demand for it during the winter and early spring, and I cannot speak too highly of its soothing and strengthening effects. I have recommended it to personal friends and to other institutions. Our attending physician, Dr. B. F. Follen, speaks of it in the highest terms. Miss CAMILLA B. SANDERSON, Matron, The Haven & Prison Gate Mission, Toronto, Ontario.

All druggists sell Angier's Petroleum Emulsion. Two sizes, 50 cents and \$1.00 a bottle. Be sure you get ANGIER'S. # Dr. McLaughlin's PLAIN TALK TO MEN Who Are Not What They Ought to Be.

If you are a man whose youthful vitality has been wasted by indiscretions, excesses or over-work, I want to assure you that there is a positive remedy for your trouble. If your condition is that of exhaustion or feebleness, the very element which you have wasted, viz., human electricity, can be put back into your body. When you get it back your weakness will disappear, and you will become strong in nerve, brain, muscle, and every organ, and filled with joy that you are once more a perfect specimen of manhood. Dr. McLaughlin's Electric Belt will fill your system with the power you have lost. It does this in a gentle, glowing, soothing way while you sleep. You get up in the morning refreshed, all aches and pains disappear, and you feel strong enough to attempt and accomplish what any other man can do. It makes you feel like a new man, because it restores and develops the vigor originally given to men by nature. Pick out the men who have worn my Belt. See them with head erect, chest expanded, the glow of health in their cheeks, courage in their hearts and a clasp of the hand that tells you "I am the man." And how is it with you? Have you rheumatism and back pains, a dull ache and weakness over the kidneys, dull headaches, with a tired, stupid feeling? Are you losing your vitality power? Do you feel yourself aged before your time. Are you nervous, sleepless, short of memory and lacking in spirit and self-confidence? Do you know that you are not the man you would like to be. If so, I can cure you. What you lack is just what electricity supplies. My Belt will cure you, and if you will come to me you will soon be one of "DR. McLAUGHLIN'S MEN." If you can offer reasonable security you can have my Belt and

## PAY WHEN CURED.

**WHAT IT CURES.**—My Electric Belt cures Weakness and drains of vitality, Varicocele, Nervous Debility, Rheumatism, Sciatica, Lumbago, Weak and Lame Backs, Stomach, Bowel, Liver, Kidney and Bladder Troubles, Prostatitis, Locomotor Ataxia, and some forms of Paralysis.

**CAUTION.**—If you value your health, do not accept an imitation of my Belt. There are many on the market. Old style, blistering apparatus, whose only merit is that they burn and wear the flesh, are being offered with a cheap imitation of my Custom Electrode. But it is a sham. Don't accept it. The test is simple. Hold your hand over the electrode. The custom electrode is very special invention. Without it all electric belts blister and burn. In fact, they do so now. I take the other belts in trade.

**FREE BOOK.**—Every man who desires the perfection of physical strength should read my beautifully illustrated book. It tells how strength is lost and how I restore it with my Electric Belt. I will send the book, doubly sealed, free upon request if you will send the 10c. If you are not the man you should be, write to-day
