GRAND OPERA HOUSE.

O'Neill In "Monte Cristo"-Spectacular Parts Grand.

Mr. O'Neill's production of "Monte Cristo," last night in the Grand opera house was very enjoyable. staging was well done, the scenery was admirable throughout, and in the fourth act magnificent. From the spectacular point of view, the play could hardly have been improved. In the verged dangerously near the moletense situation (and they were numerous) made the upper gallery roar and whistle, it gave to finer sensibilities something of a chill. In the last two acts, however, all this gave place to finer and altogether more enjoyable

In the ball-room scene of the Hotel de Morceri, the acting was graceful and refined, and Mr. O'Neill as the count of Monte Cristo showed to better advantage in that dignified character than in this unreal and unrelieve you. Try it. For saie at his coat. The young man having the truthful playing of Edmond Dantes. the young sea captain of the first act. He used his fine voice with telling of feet in the conversational parts of this act. The play closes quite artistically in the forest of Fontainebleau. A number of changes have taken redeeming very largely the bad effects place in connection with the street of the too violent actions and mock railway service. Stanley Miller, con- heroic situations of the first three ductor, has left the service, intending acts. To patronize such as Mr. O'Neill, men who are aiming the elevation of the public taste. the duty of every true citizen. tregoers would like to welcome back Mr. O'Neill in a play, free of the melodramatic elements of "Monte Cristo," and with a more definite aim and great unity of action.

The Meat By-law Illegal.

Alderman Carson sprung a surprise on the city council last night when he stated that alderman Walkem's amendment to the meat by-law was il legal. The seal had not been placed on it in presence of the council, and, therefore, was not worth the paper on which it was written. Then in printing the minutes of the council it had been spoken of as a by-law to amend by-law No. 482, which-alderman Carson pointed out-was "a by-law specting drunken and disorderly per-It should have read

"The by-law should never been passed at all," declared alderman Tait, but the mayor called Joseph to order. Alderman Graham gave notice that at the next meeting of council he would introduce a by-law to amend

the meat by-law.

The Council's Sympathy. Alderman Walkem, at last night's meeting of the city council, referred to the sad bereavement sustained by alderman White in the loss of his wife, and moved the following resolution That this council regrets to hear o the sad bereavement of its colleague, alderman White, in the death of his beloved wife, and wish to extend to him our heartfelt sympathy in this, his hour of sorrow.'

THUS ALD, GRAHAM TERMS

WATER WORKS COMMITTEE. Warm Meeting Yesterday Afternoon-Vote Taken Was

Straight Party Lines-Shirking Their Duty to the City. An important meeting of the civic waterworks committee was held yesterday afternoon. There were present: Chairman King and aldermen Ab-

and Carson The chairman did not see how th appointment should not be made until the plans were completed.

Ald. Abbott thought that after advertising for applicants and getting tario in order to get clubs to organ- replies from good men, the appointment should be made in the best in Chairman King said that possibly the new man would be given the same

salary as engineer Cullen, and would

hold equal rank Ald. Tait of course fell into line with the chairman. "Why spring this at such a late hour?" aptly inquired Ald, Abbott. Ald, Graham backed up Ald, Abbot's contention that the appointment should be made at once. There was no benefit in laving the matter over. This scheme had been launched since the last meeting. "I understand I

good man. "I don't see that we are justified making an appointment to-day," said Ald. Sears. "The people want the

afternoon," concluded Ald, Graham.

"There is something more behind this holding back than we see," said Ald. Carson. "Bet your life there is," interposed Ald. Graham.

The re-organization of the department was another thing altogether. went on the weighty representative of Frontenac ward. The council had given them power to make the appointment, and they should do it When men come here they should do their duty, and then if the council wants to introduce politics into it. all right.

"It is not a reasonable stand," said Ald. Abbott. "If we can't make a recommendation, let us place the names before the council.' "Felix Lennon is one of the appli-

cants." said Ald. Graham, "and his name will come up with the others. Some aldermen will perhaps change their mind, as they have done before The shirking will be on the conservative side; we are not going to shirk our duty. "It's party, nothing more than par

Mallen to Ald. Graham. "but you're foolish if you don't drop this: "I'd be a fool if I did," replied Ald Graham. "This is the rottenest committee in the city council." Ald. Carson moved that the com-
