# CONAN DOYLE

Wherein Sherlock Holmes reappears. "English fiction was permanently enriched when Dr. Doyle began eyels of stories. The Sherlock Holmes stories are immensely super-

for to anything of Gaborian's, The public not only buys and reads, but discusses them continually, it has so strenuously insisted having more, that Dr. Doyle has been obliged to yield to the demand, and in The Hound of the Baskervilles he seems to have attained the perfection of his methods. This will probably be the most remarkable story of
